KRABBA '75 HAMPTON HIGH SCHOOL HAMPTON, VIRGINIA

THE HAMPTON EXPERIENCE IS . . .

The Hampton Experience is the Crabber Turn-On. The experience of being turned on to Hampton High and its people. At times, the school day goes slowly and one almost gets turned-off, but someone — either a teacher or a friend — turns on the switch with a cheerful smile that says “Hey” in a way that can’t be explained. Then you know you have the Crabber Turn-On.

Then of course there are those special moments of a crabber turn on: jammin' to the music of a band during May Day . . . eating lunch out of doors with friends or that special someone . . . being turned on by a Dy-No-Mite football team . . . and turning everyone on with the CRABBER SPIRIT at basketball games . . .

BEING A PART OF THE

. . . as a *sophomore*, Hampton High's greatness is a turn-on, . . . as a *junior*, awaiting the class ring is a turn-on, . . . as a *senior*, the physical and mental preparation for graduation is a turn-on.

HAMPTON FAMILY IS A TURN-ON!

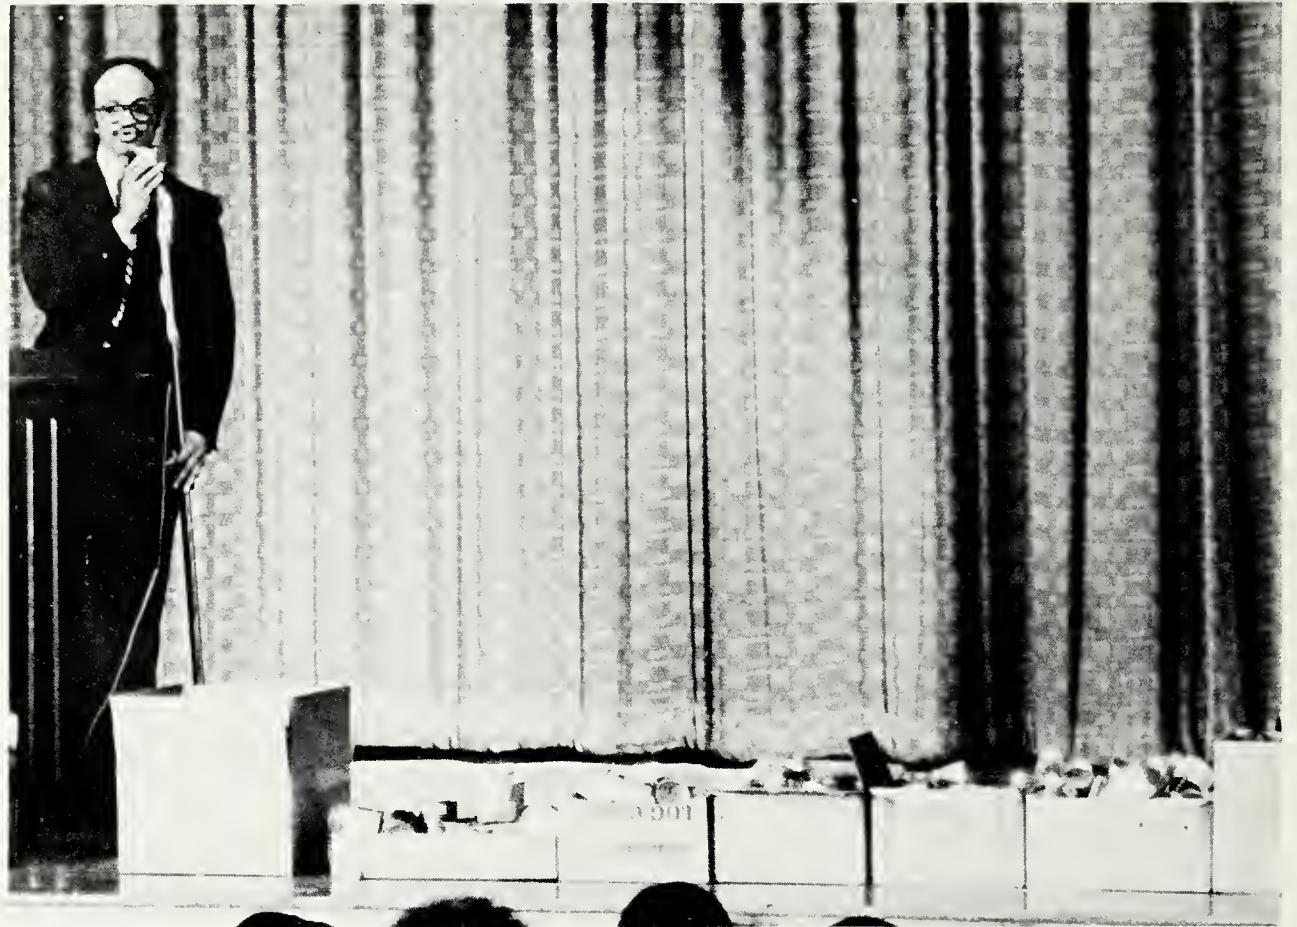

Being a member of the Hampton Family is a turn-on, because of the special and sometimes unique moments and the unending CRABBER SPIRIT which keeps us turning on, and on and on . . .

SPECIAL ASSEMBLIES SHOW THANKFULNESS

Hampton was again given the opportunity to show how thankful we were at an annual Thanksgiving Assembly. Thanks were given to the administration, faculty, and students. In keeping in tradition with the *Crabber Spirit* more food was given by the *Hampton Family* to the needy than by any other school in Hampton.

Through another assembly, Hampton visited the "roaring twenties" by way of films and skits.

OPEN CAMPUS BETTER REPRESENTATION

5

Open campus and better representation were again the basic issues of the campaigners for the 1975-76 SCA student government. Campaigners again had to come up with convincing speeches, slogans, and worthwhile issues. Elected for the year were *Greg Garrett*, president; *Starra Phipps*, vice-president; *Susan Broad*, secretary; *Harriet Knight*, treasurer; and *Sonjia Smith*, chaplain.

1. *Greg Garrett* for president. 2. *Sonjia Smith* for chaplain. 3. *Mike Powell*, *Cheryl Collins*, and *Gary Weinstein* man the polls. 4. *Ms. Daniels* listens tentatively to the speeches. 5. *Harriet Knight* for treasurer.

MYSTERY PLAY INTRIGUES AUDIENCE

4

Audiences attending Hampton High *Drama Club* productions this year were treated to fine performances and enjoyable shows. The *Drama Club*, consisting of Thespians and Garricks, first presented the exciting mystery play, "*Web of Murder*," starring Janet Woodard and Sarah Jones.

The traditional "Christmas Gift" show brightened the faces of "little people" from many Hampton day-care centers as it spotlighted the presence of Santa Claus (alias *Mike Bullion*).

The final production, "Life With Father," proved to be a big hit, bringing in large audiences who praised the show highly. Based on a book written by Clarence Day, the story revolved around the determination of an eighteenth century wife to get her husband baptized.

Mr. Heatwole and Co. can be credited with bringing in larger audiences and promoting a keener interest in drama at H.H.S., something which, in the past, was lacking.

Other members of the Homecoming court were *Debbie Barrett*, *Morgan Morris*, *Patrice Brown*, *Felicia Porter*, and *Rena Coxwell*.

Other members of the Homecoming court were *Susan Anthony*, *Susan Quinn*, *Gwen Parker*, *Angela Yule*, *Sharon Janavich*, and *Cindi Little*.

SUCCESS TO MANY PEOPLE AND EVENTS

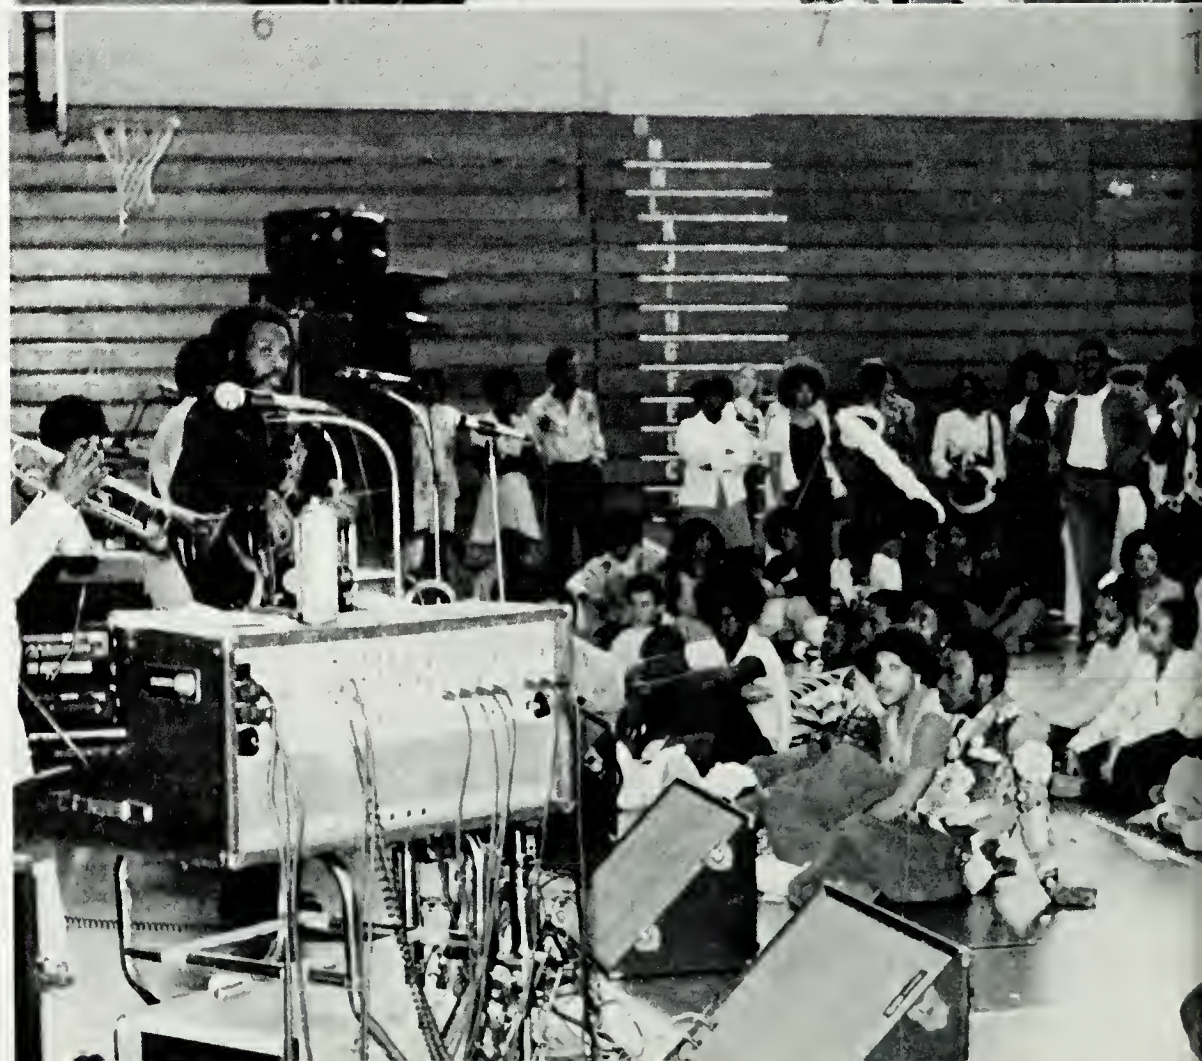

MR YEARBOOK is a contest that the Krabba Annual Staff put on for the first time in 1975. All contestants were male and had to buy a yearbook in order to be eligible. Each contestant had to get as many people to buy a yearbook in order that they might get as many votes as possible. After the votes were counted, Craig Via emerged as the victor. Afterwards there was an assembly held where the news was announced to the whole student body. At the end of the program Mr. Yearbook was congratulated by members of the yearbook staff. Some of the prizes he won were a tuxedo rental, Pizza passes, albums, gift certificates from several stores and a spread in the 1975 Yearbook.

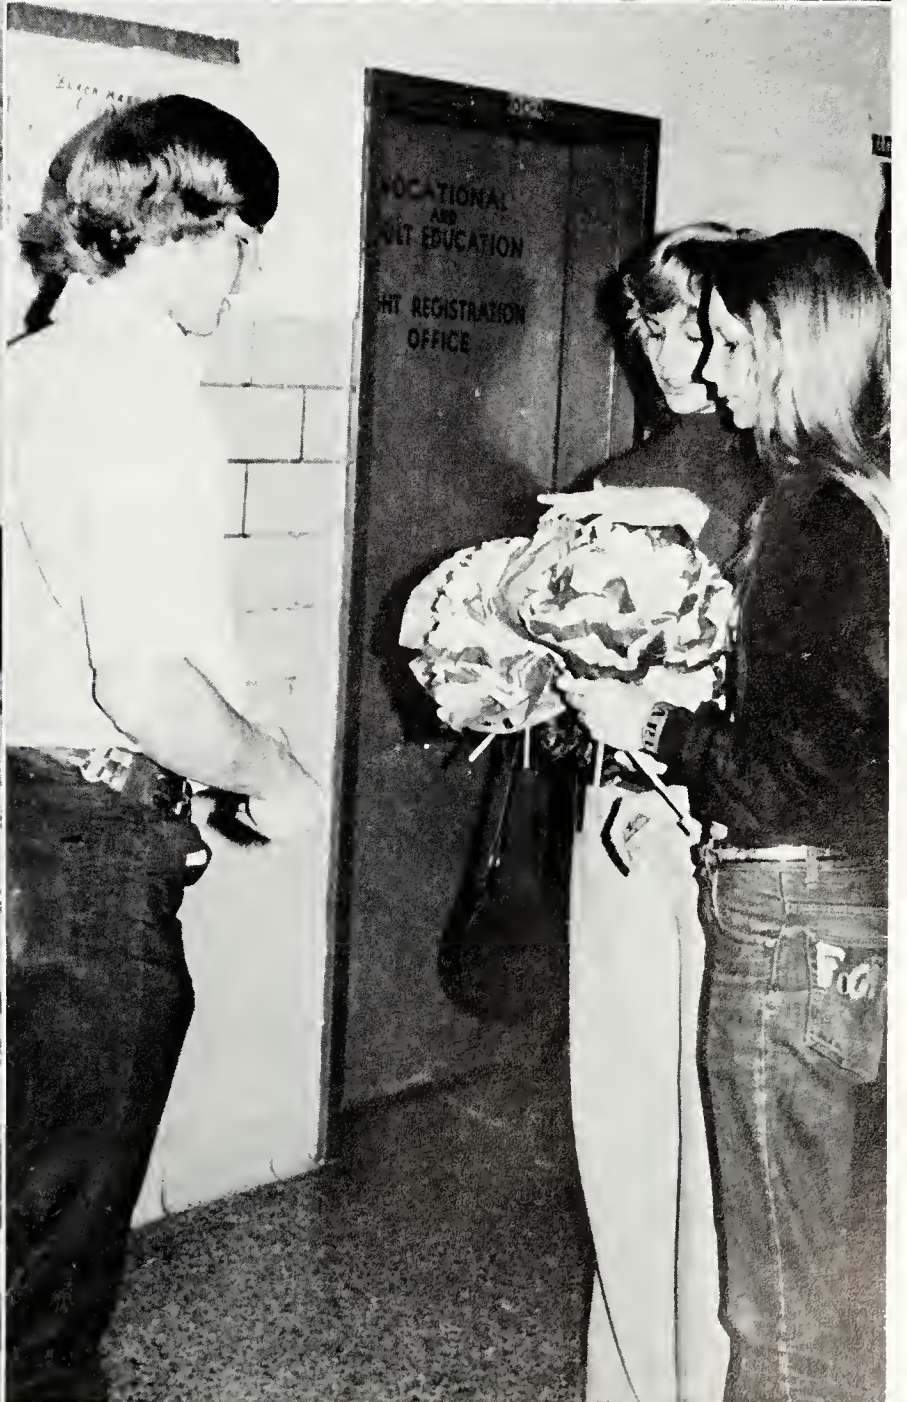

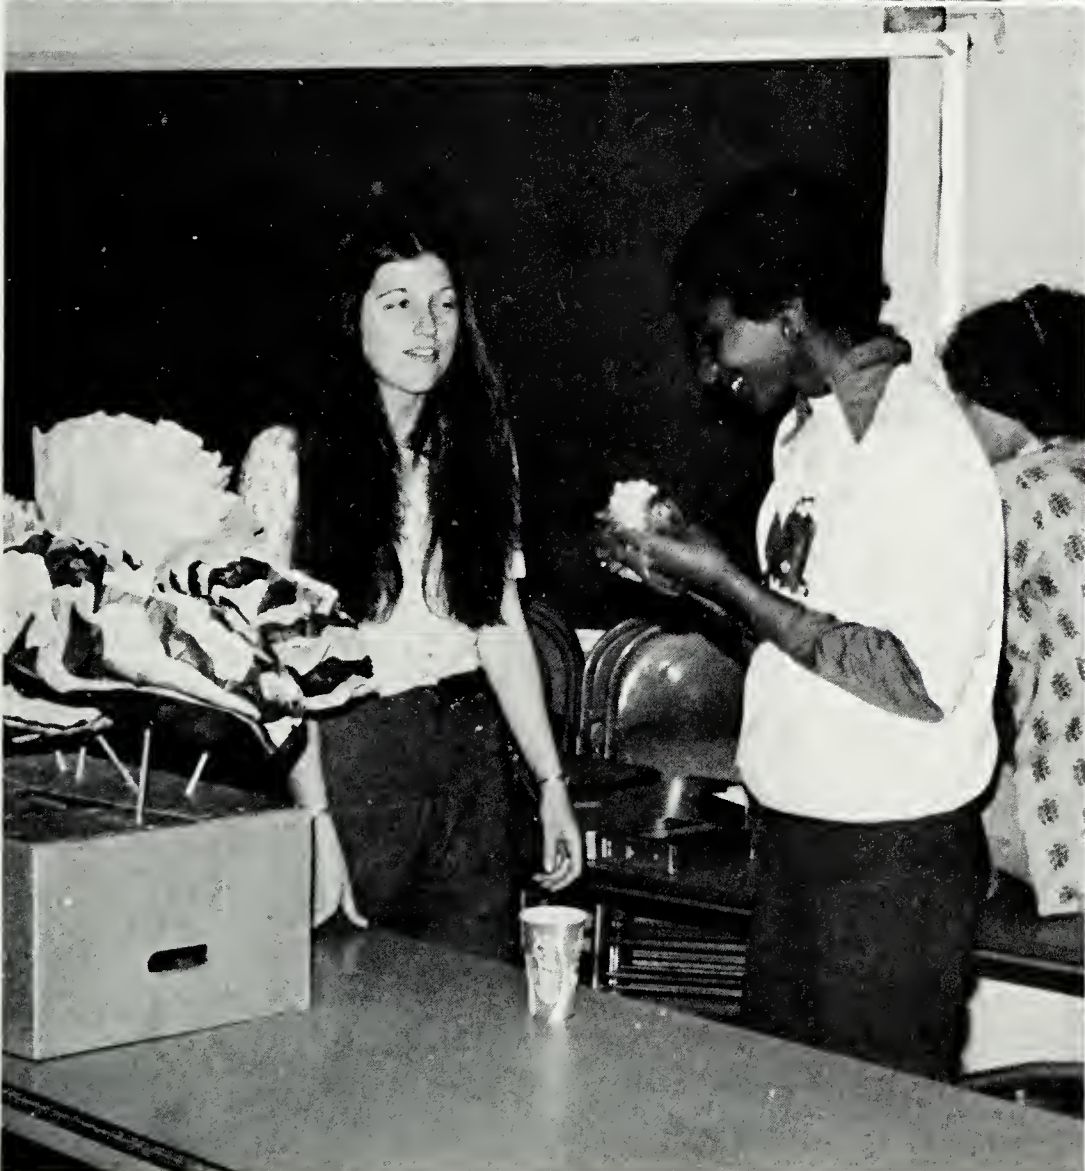

MAY DAY

May Day '75, minus the bright sunshine, still managed to turn on the hallowed halls of Hampton High. However, the rain, damp weather and cloudy skies did not dampen the spirits of the Might Crabbers. Any one for a tricycle or pogo stick race? Would you be interested in a paper flower, some cotton candy, a fresh bag of popcorn or maybe just a cool drink of lemonade.

DEVOTION

Karen Weaver and Micheal Atkinson were crowned Prom Queen and King.
Bernadine Jennings and Nathan Watts were crowned Prom Princess and Prince.

PROM SCENES

The junior class sponsored a "Night of Devotion" which was held at the Sheraton Inn, with the *Positive Sound* band performing.

Money, money — where did it all go? That was a question asked by many SCA members as the SCA Treasury found itself in financial trouble as a result of the disappointing candy sale. Nevertheless, the student council carried on under the leadership of Mike Powell, and worked a little harder. One of the main goals of this year's SCA was to bring back the spirit and tradition of Homecoming. Buttons, megaphones and flowers were sold and enthusiasm was once again kindled.

The football parade was held and the "mock burial" of a Bethel Bruin ended the evening. The drink machines provided a continuous source of income throughout the year, prompting cries of, "It took my money," at times of malfunction, creating many headaches for *Mike Powell* and *Gary Wienstein*. By the end of the year, another vending machine was added, providing an assortment of snacks ranging from moonpies to potato chips. *Mrs. Horne* and *Miss Johnson* survived their first year as SCA sponsors.

1. New and old SCA officers sing the alma mater.
2. *Greg Garrett* installs the new Executive Board for 1975-1976.

ANNUAL STAFF TURNS ON ITS ENERGY.

Busy! That's the word to describe the 1975 *KRABBA* staff. Activities such as *Mr. Yearbook*, *KRABBA Treasure Hunt* and *Faculty Basketball* kept each member on his toes. Ribbons and wrappings from decorated Treasure Hunt prizes beautified the publications room as each member was given a chance to show his decorator skills.

Co-Editors *Bunny Willis* and *Denise Dunn* survived the year as the only veteran staff members! They had their hands (and ears) full, breaking in eight new members! As *Susan Broad* and *Robin Huntley* "tried" to sing with the radio, *Ginny Skinner* and *Deborah Whitaker* worked diligently on their layouts. *Linda Monroe* was awarded the prize for selling the most ads and *Miss DeLoatch* received top honors for "hanging in there!"

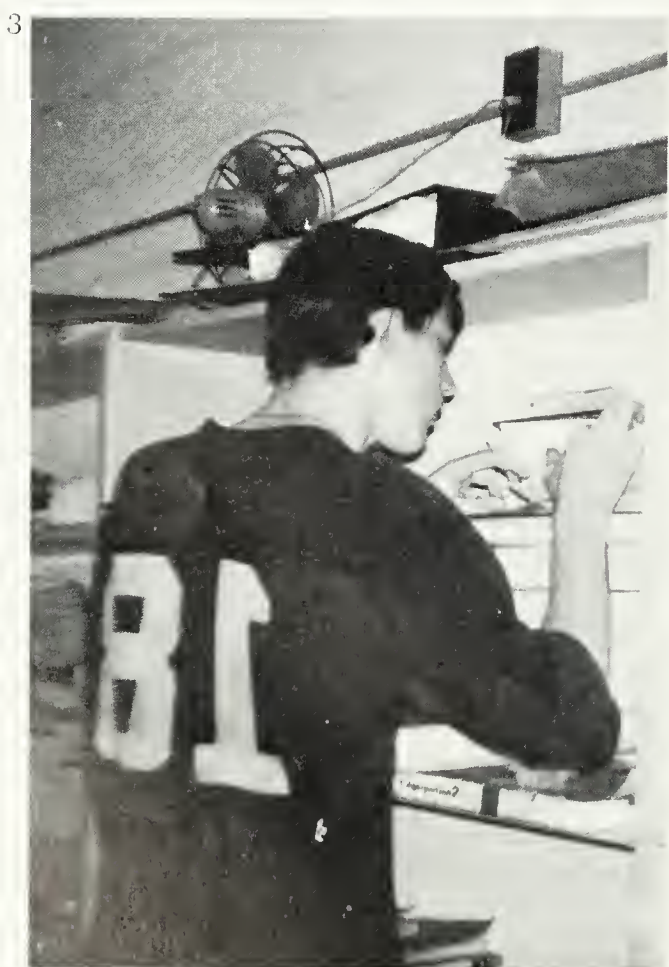

1. *Denise Dunn* drags *Frances Gooding* to the work table. 2. *Nancy Overton* relaxes after completing another layout. 3. The constant search for pictures is demonstrated by *Ken Foley*. 4. Some of the *KRABBA* staff show their school spirit on Cowboy Day. 5. *KRABBA* collage of activities.

KRABBA HIGHLIGHT, SEAFARER, KRABBA ACTIVE PARTS IN

Seafarer staff, under the leadership of Mrs. Doris H. Dancy and editor Karen Sacks published two issues, one of which was a calendar.

The National Honor Society is an organization based on superior scholastic achievement combined with character, leadership and service. Before Easter, the money raising project was selling decorated sugar Easter eggs and was very successful.

Change in broadcast time, change in policy, and change in format describe Krabba Karavan for 1974-1975. Air time returned to Saturday morning after having been Wednesday night for the preceding year.

The students of H.H.S. were informed of Hampton's past, present and future happenings with the help of the Krabba Highlight, our newspaper.

DO FOREIGN LANGUAGES

Old and new activities filled the *German Club* calendar this year. These included an Oktoberfest Picnic, a trip to Washington, D.C., making Lebkuchen for Valentine's Day, a camping trip, a regional convention, and the annual banquet.

This year the *French Club* gathered to take bike rides to Newport News Park with *Mr. Solomon*, who proved to be the reliable trail blazer. Other activities included participating in the Foreign Language Week which concluded with the annual banquet; several members corresponding with students in France to exchange ideas, visiting a French restaurant, and a picnic to end the school year.

Spanish Club, under the sponsorship of Mrs. S. McCracken and *Mr. A. Dellis* was very active this year. Throughout the year they sold Mrs. Smith pies, made flowers for the May Day project and raised money for the \$100 scholarship to be awarded to a senior club member.

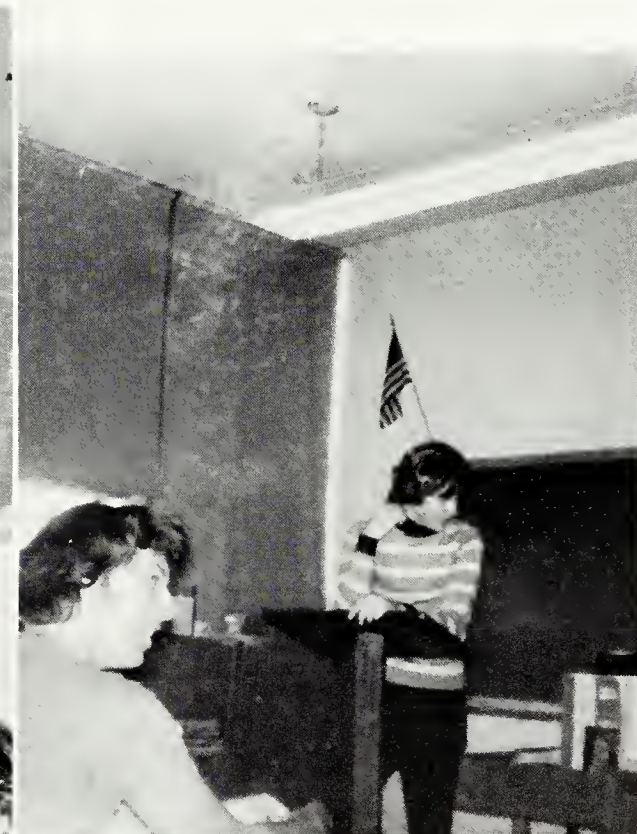

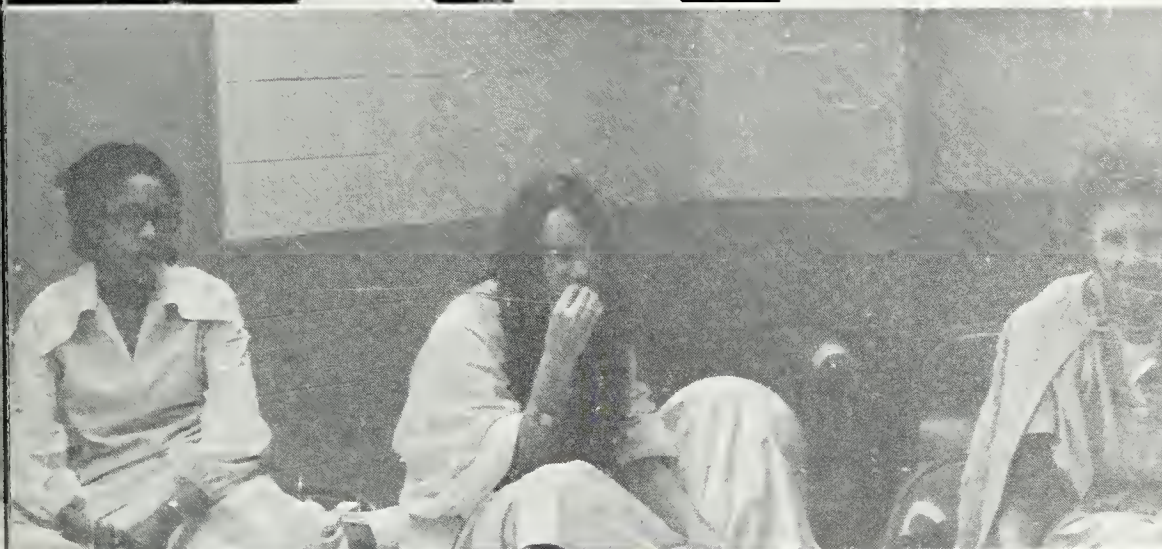

TURN YOU ON?

Janet Riddick, President of the *Latin Club*, led the members in a most exciting year. During the year the *Latin Honor Society* inducted over 15 new members at their two banquets. The club sold calendars and had car washes to raise money. The year was fun and exciting. The basic purpose of the *Latin Club* was to promote the language of Latin to all students of H.H.S. Next year is expected to be even bigger and brighter!

Truly, Latin Lives Today!

MATH HONOR SOCIETY AND COMPUTER MATH

Math Honor Society members grin at the camera.

One of the most active clubs at HHS this year was the Math Honor Society. Under their sponsors, Mrs. Weeks and Miss Sheehan, the club had several guest speakers which spoke about such interesting topics as "How to Win at Craps" and "Mathematical Shortcuts." During the year, the Math Honor Society has been involved in inter-club sports, sponsored a career day, and planned a bike hike for the Spring. A person can become a member by achieving a 5.0 grade average after completing second-year Algebra and must be currently enrolled in a math course. The officers for the year were Alan Dennard, President, Terry O'Neil, Vice-President, and Julie Turpin, Secretary-Treasurer.

One of the smaller clubs at Hampton this year was the Computer Math Club. Their unique Crabber Computer with Robot Man created quite a sensation among the younger fans during the Homecoming Parade. Intramural soccer and volleyball were a diversion from the usual program. A highlight of the year was a field trip to N.A.S.A. to see the scientific computer there. On May Day, students were able to play computer games for a price. Did anyone beat the computer.

To promote interest in science fiction by putting together a magazine, making filmstrips and pamphlets on science fiction for English classes and to build up a library of science fiction books is the purpose of the Science Fiction Society, or as they prefer to be known, Star Fire.

So that's a computer!

ON TO NEW YORK

"Get it on" was the slogan for HHS's History Club. Under the leadership of President Danny Bunn, the club sponsored many activities such as selling certificates to help the German Exchange students see the Nation's capital, a car wash and a banquet. The Historians also visited the bustling city of New York in November.

"To provide an opportunity to expand the minds of the students of HHS" was the purpose of the Philosophical Society. The Society held their meetings in the form of invitational dinners; random topics were chosen for controversial conversation. This was done to help the students form their own opinions and better express their ideas.

CHESS TEAM, SKI CLUB

The Hampton Chess Team spearheaded by *Daniel Wentz* and *Paul Macklin* was disappointed this year by failing to achieve their annual undefeated record. Instead, the chess team finished third in the district with a eight win, three loss record. With the expectation of many returning chess players, Hampton can expect a promising future again next year.

"On your left and right," was a sound commonly heard by skiers on the ski slopes of Virginia. The ski club of Hampton managed to "hit" the slopes of Bryce Mountain and Massanutter in more ways than one.

FHA, FTA WORK TOWARD BETTERMENT OF PEOPLE

1

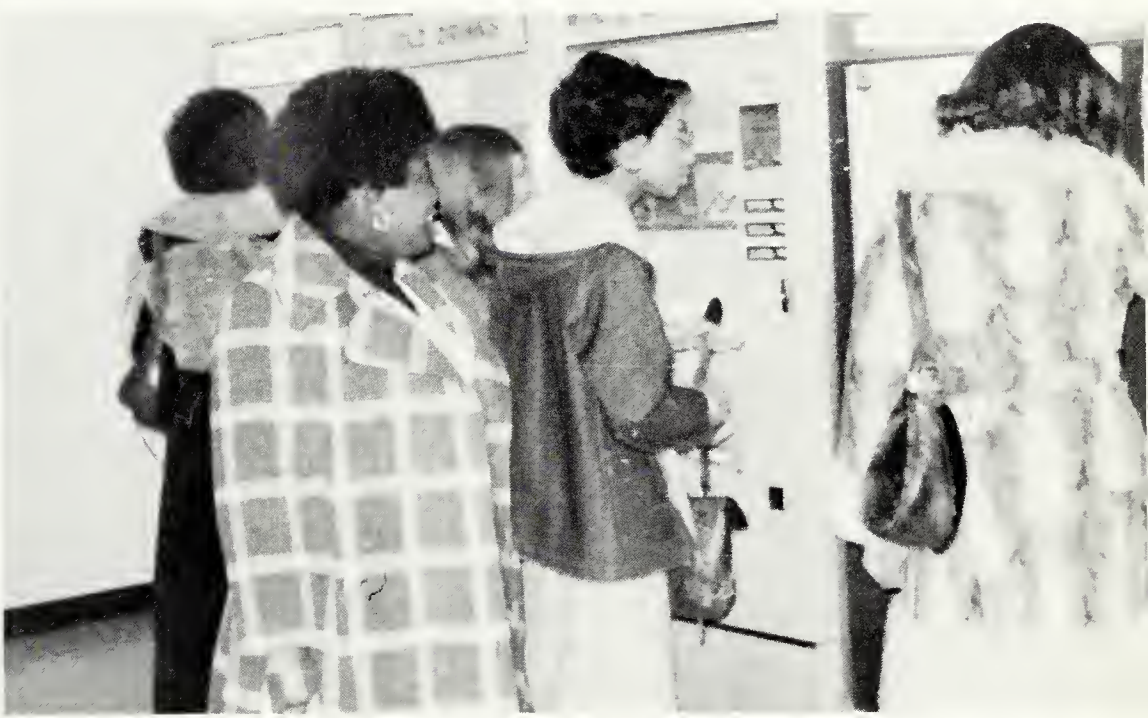

The purpose of *FHA* is to help individuals improve personal, family, and community living. *FHA* sponsors a Fashion Show annually. In addition they have given projects for the betterment of the community, such as a Christmas party at Hampton General Hospital for the children.

FTA members had their hands full with a car wash and Christmas parties. *FTA* also sponsored an annual Banquet of all Peninsula High School *FTA*'s. The highlight of the year was a trip to *Old Dominion College*.

KEY CLUB SELL KRABBA DIRECTORIES

This year's Key Club "was kept on the move" by President *Tommy Bishop*. As usual, the Key Clubbers have sold Krabba Directories, book covers, and worked Skeezer during all Hampton football games. Incoming sophomores were introduced to the club on the first day of school when they sold popsicles. For the second consecutive year, they have won first place for a float in the Homecoming parade. Service projects consist of collecting for Muscular Dystrophy, Heart Fund, and Leukemia. They have also cleaned trophies at school and painted the trash cans and baseball dugout.

Key Clubbers prepare programs.

KEYETTES ARE ALWAYS BUSY

Busy is the only word to express the Keyettes this year. Fund raising projects of selling food at night school, Saint Patrick cards, Singing Valentines, and flowers on the first day of spring have supported their efforts to help others. They have participated in ROT, bookbinding, Teacher Appreciation Week, and saluted Mr. Middlemyer. Red Cross Projects and the Health Fair made the public more aware of their well being. This year was highlighted when the Hampton High Keyettes won first place in the Keyette International Talent Contest. Other activities included a bike raffle, intramural sports, and a hayride with the Key Club.

1. President *Angela Simpson* smilingly leads Keyette meeting. 2. Flowers on the first day of Spring show Keyette spirit.

EXCHANGE CLUB SERVES COMMUNITY

Phyllis Slade and Evangeline Williams talk over past club meetings.

LEO CLUB “LOOKS” ONWARD

Doug Mason tries to get to Leo club meeting.

Under the leadership of *Bruce Young*, the *Exchange Club* has taken a good start. The newly formed service club has accomplished such tasks as collecting for the Heart Fund Muscular Dystrophy. They also had a booth at the Hampton Fair.

Sight Reserve is the main objective of the Leo Club. This year the club has worked hard collecting eyeglasses and painting the school auditorium. They have also sold ads for the football programs. The Leo Club helped their sponsor, the Hampton Lions Club, sell brooms and mats.

HAMPTON HIGH CLUBS OF 1975

Y-Teens made coloring books for the children at Sarah Hudgins. They sold balloons for May Day and had their annual candy sell. Y-Teens is a branch of the Y.W.C.A. headed by Mrs. Cowles. The club was not as active as they planned to be because of lack of participation from members. The active members worked as hard as they could to make the club the very best they possibly could.

The Health Club is a new Club this year. Mrs. Hobson and Mrs. Gibson are the sponsors. The Club started out with eight members and is continuously growing. The first thing the members did together was make their club charter and the agenda for next year.

The Health Club encouraged all students to join and participate.

HAMPTON HAS SUCCESSFUL CLUBS

One of the highlights for the Chem-Phy Club was the field trip to N.A.S.A. Visitor Center at Langley Air Force Base where a tour was also taken. The Club is a Joint Sponsorship between Mr. North and Mr. Wilkerson.

Black Awardness Society is a new organization sponsored by Mr. Dancy. They Sponsored many activities during Black History week. For May day they had a relay race. They also raised \$25.00 for the Joan Little defense fund.

The Archery Club's main purpose is to promote good sportmanship. The archery club is a new entry in Hampton High's athletic activities this year. Though there were few participants, the results were encouraging. Combining determination and dedication, the member's sacrificed a great deal of time in creating an organization worthy of it's inclusion with the other fine activities at Hampton.

DEBATE AND FORENSICS HAVE A WINNING YEAR

Forensics began with the Veterans' of Foreign Wars Voice of Democracy contest in the fall. Approximately twelve Students participated with *Natalie Blatchford* capturing first place. Later she placed third in the district with her speech "Freedom-My-Responsibility."

December 14 was the date of the Invitational Forensic Tournament hosted by Tabb High School. *Karen Kramer* represented H.H.S. in dramatic interpretation while *Craig Via*, *Susan Quinn*, *Marla Cooper*, and *Janet Riddick* worked with poetry and prose reading. *Susan Quinn* won second place in the contest. *Mickey Annette* engaged in the oration division.

The American Legion Oratorical contest challenged the student body on its return from Christmas. *Thomas Hughes* represented Hampton High. He was rewarded a twenty dollar savings bond.

The big news in forensics for 1974-1975 was the V.H.S.L. competition. The district trophy returned to H.H.S. with HHS earning the most points in competition. *Judy Frank* won first place in girls' oration *Craig Via* was recognized as first place in boys' prose reading. *Dave Derbyshire* captured second place in boys' oration, and *Karen Sacks* won second place in spelling while *Sonja Smith* earned first place in girls' extemporaneous speaking.

The HHS Debate team finished with a winning season. The team members were *Judy Frank*, *Sonja Smith*, *Karen Sacks*, *Bunny Willis*, *Brian Kurtyka*, *Paul Macklin*, varsity team, *David Henry*, *Mike Bills*, *Bobby Otte*, *Becky*, *Morgan Morris*, *Greg Garrett*, *Mike Powell*, *Belinda Hill*, novice team.

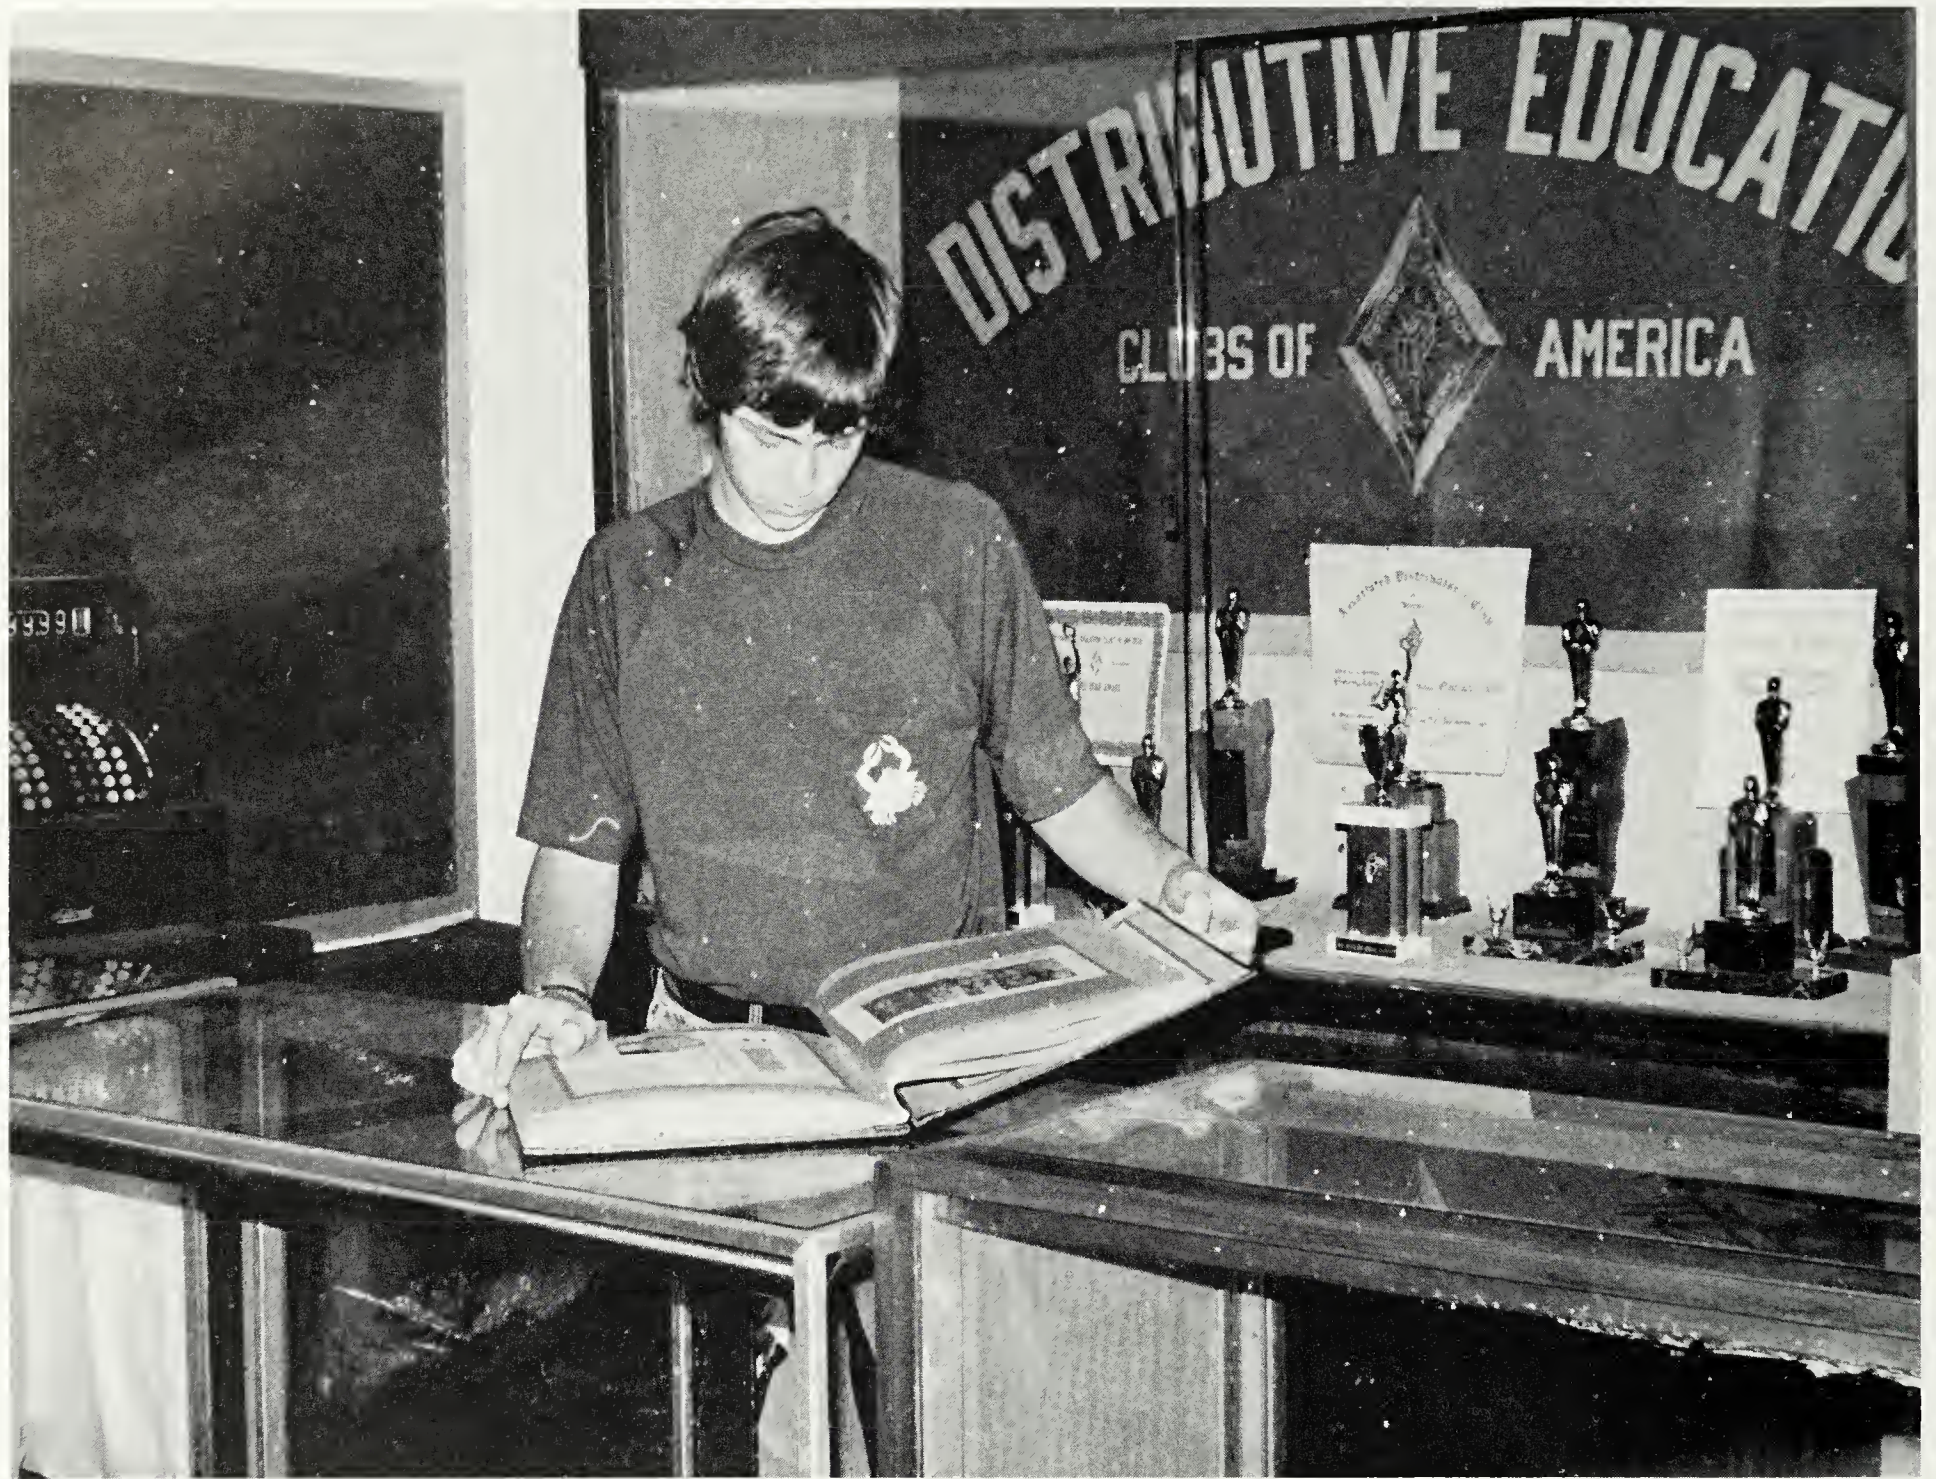

The team took trophies at the tournaments at Madison College, the University of Richmond, and Kecoughtan. The team did even better as they finished on top of the Peninsula District Debate Tournament.

The main objective of Industrial Cooperative Training (ICT) is training high school youth for employment and/or advanced training. These students are hired by professional establishments on a part time basis where they receive on the job training.

The Distributive Education (DE) Club students were employed on a part-time basis by various businesses. This gave them a chance to learn as well as earn some spare money.

Graphic Arts Club prints Hampton's literary magazine, *Seafarer* bi-annually. It prints tickets for various sports events and programs for various club functions. *Graphic Arts* gives the students an opportunity in printing.

A'CAPELLA, GIRL'S CHORUS AND CONCERT CHOIR

The choral department was headed by Mr. Sidney Swiggett. A'Capella, Girl's Chorus, and Concert Choir presented a Christmas and Spring Concert.

A'Capella raised money by selling drinks at the home Basketball games.

They ended the year by singing at the Baccalaureate service at the Coliseum.

Margaret Tillery and Sue Tillery were the A'Capella accompanists.

FLAG CORP ADDS SPARKLE TO THE BAND.

Donna Bryant, Jody Allen, Cheryl Collins, Andrea Barrett, Shilda Daniels.

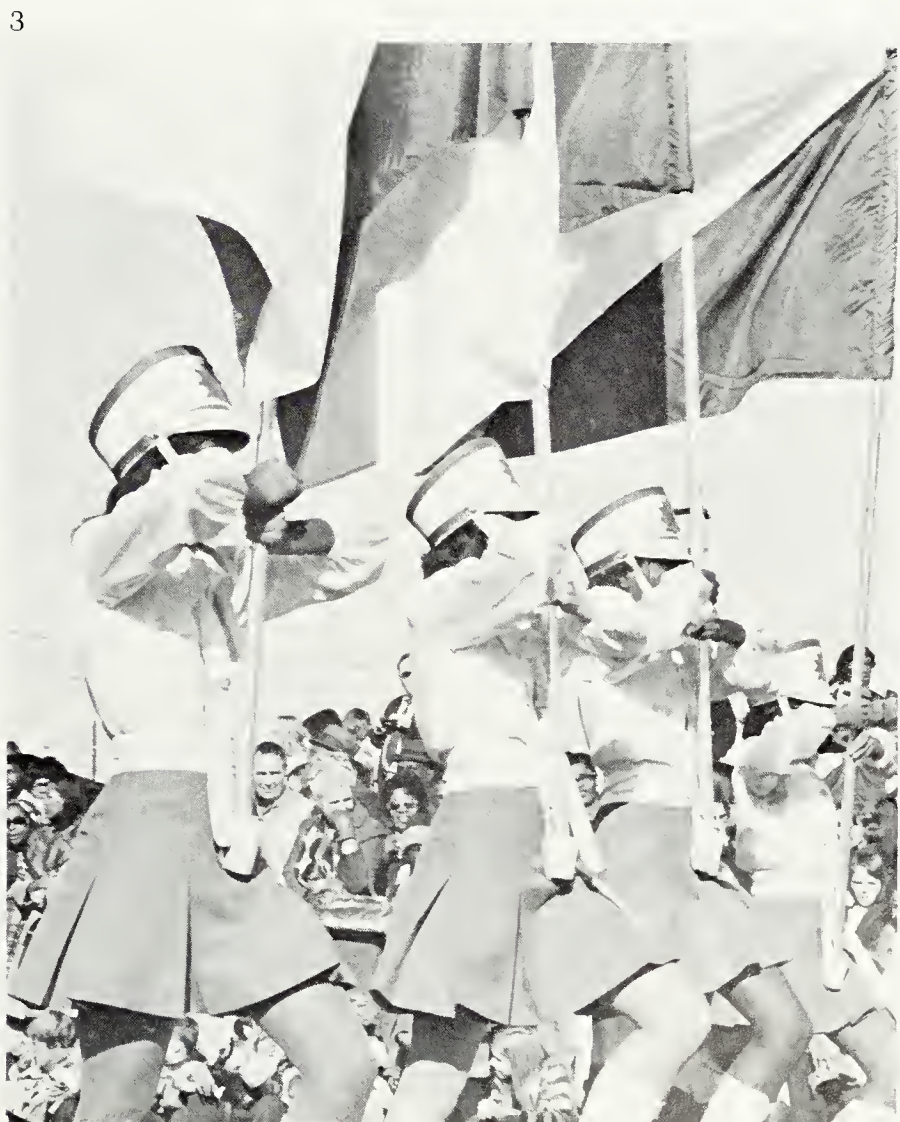

'74-'75 had been the first time in many years that Hampton has had a flag corp. After organizing in the fall of '74, the Corp performed with the Marching Band at all half-time performances and in most parades.

The Flag Corp had a difficult time getting started as most of the girls were inexperienced. However, after getting new flags, poles and much practice the corp did extremely well.

Although the Corp has not yet entered into individuals corp competitions, they have added greatly to the Marching Band's appearance in Band competitions as well as in school performances.

The H.H.S. Flag Corp has been recognized as a corp with much enthusiasm, ability, and potential.

Flag Corp march to the Band's beat.

“MARCHING 100” BAND GOING STRONG

Many Activities were planned for the band. August 31, members participated and captured second place at the National Crab Festival in Crisfield, Maryland. Other activities for the band were the Virginia Beach Neptune Festival, the opening of the Newmarket Twin Theaters, the Phoebus Day Parade, Marching Band Competition at the Urbanna Oyster Festival, in which they earned second place, and the Hampton Christmas Parade in which they took first place.

Citrus fruit was sold in November as the band's first fund drive.

Officers of the band were: President — *Norman Small*, Vice-president — *Scott Miller*, Secretary — *Teri Winfield*, Treasurer — *Jeneen Banks*, and Chaplain — *Sara Lineberger*. *Herman Fields* served as Drum Major with *Pam Rowe* as his assistant.

CLASS NIGHT '75

After many hours of hard work and practicing, Class Night '75 was a fine production. Approximately 40 people worked on the show. Seniors re-lived their years at Hampton through the minds of two old people. The high spots of the show included best figure, strip poker, Campus Life, and satires about Mr. Price and Mr. Smith.

The Class Historian was Doug Mason, poet, Robbie Rives, Prophet, Mark Enderson, and Last Will and Testament, Regina Mitchell.

1. Viewers delight! 2. Seniors enjoy their night to remember. 3. Campus Life gets a pie in the face. 4. Robbie Rives, Class Poet. 5. Grandma and Grandpa remembering. 6. Classroom antics.

ON TO A NEW BEGINNING

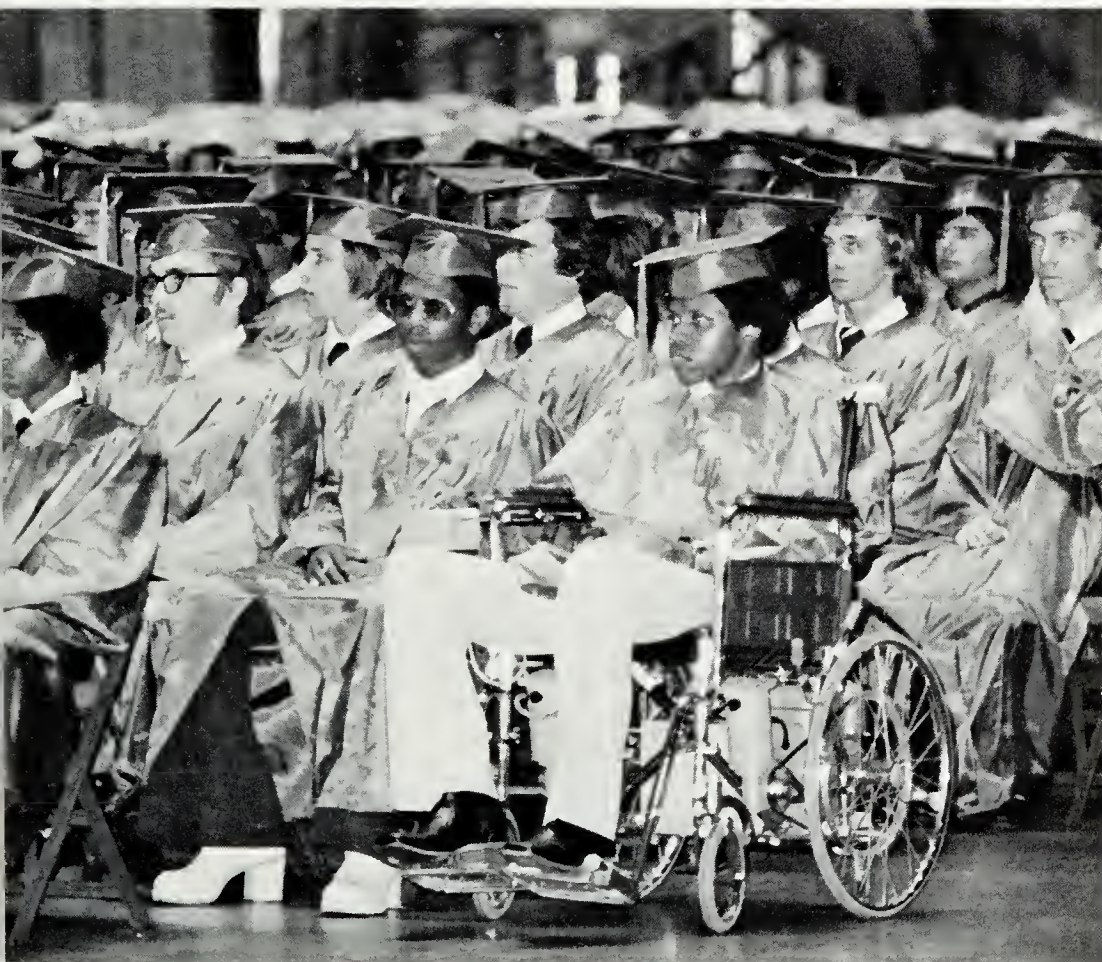

Mark Enderson sums up the feelings of the Class of '75.

"We've come a long way and we finally made it," said Angela Simpson, Class President. This summed up the feelings of the Class of '75 as they received their diplomas.

Speakers were Mike Bills who spoke on Independence, Mark Enderson who spoke on Individualism in terms of cheese, and Angela Simpson, Class President.

Many graduates received special honors including Margaret Tillery who had the highest grade average for the Class of '75.

After the ceremony, many joyous seniors said good-byes to old friends and to H.H.S.

Seniors anxiously await their diplomas.

Seniors in the band play for the last time together.

OUTSTANDING SENIORS DO IT AGAIN

Sonjia Smith and Angela Simpson discuss politics.

June '74 proved to be a trying one for Boys' and Girls' Staters. The Delegates for Boys' state spent a week at Lynchburg College. Starting at 6 a.m. with room inspection, the day was a trying one. The guys attended assemblies mornings, afternoons and evenings. Due to complete exhaustion, they retired at 10 p.m.

Girls' staters spent their week at Longwood College, where the girls also had to be up by 6 a.m. to clean their rooms, although there was no room inspection. Lining up with posters and banners, the girls participated in a talent show and in planning of city government. However, their time was mostly consumed with eating, playing volleyball and attending early morning sessions.

Boys' State: (front) Chris Herstrom, Tony Wilson, Bruce Young, Mark Enderson; (back) Doug Mason, Tommy Bishop, Mike Powell, Steve Smith, Ron Johnson, Edwin Jones.

“ONE ADDITIONAL ANNOUNCEMENT”

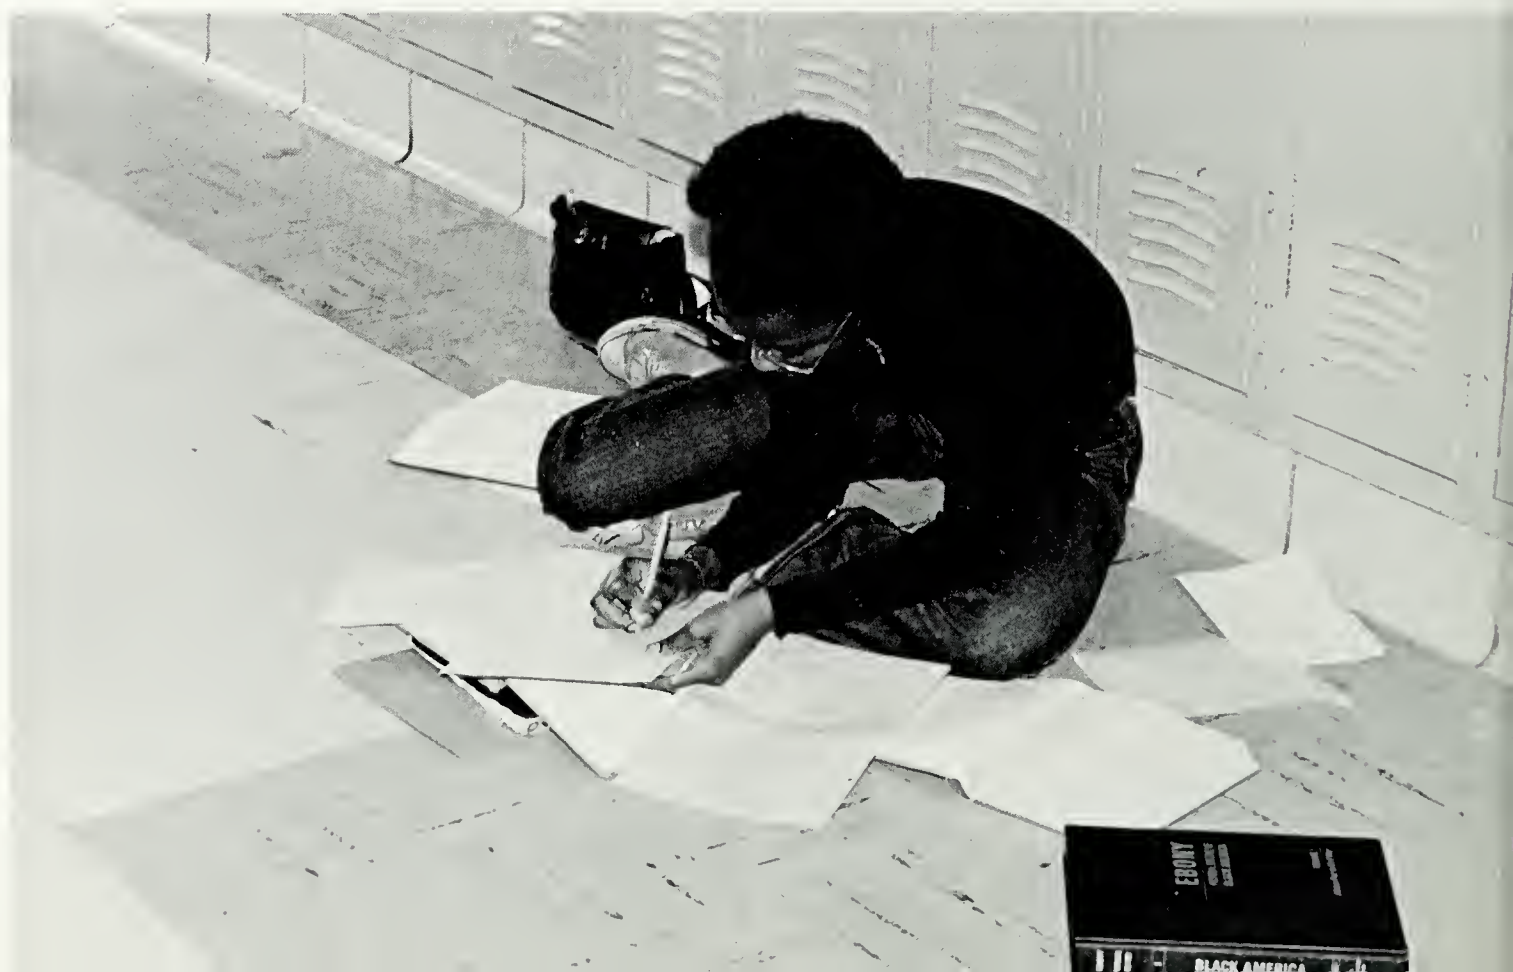

“May I please have your attention? Students and teachers, please disregard that bell. The bells are off schedule.” This was a familiar sound heard the day after an assembly.

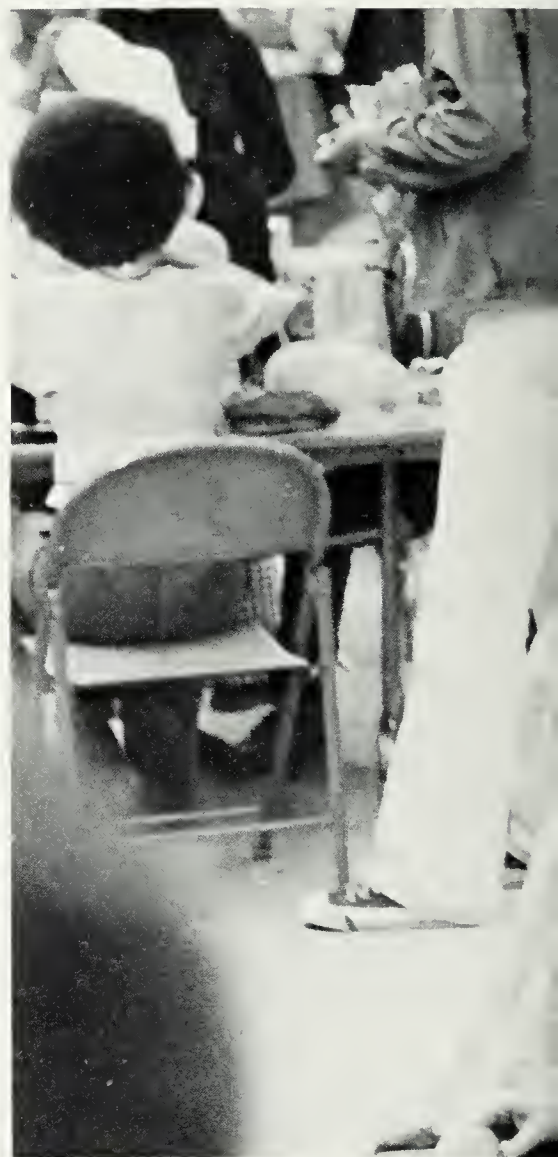

CRABBERS STEAM THROUGH THE HEAT OF SUMMER

As the end of the school year drew near, the heat was enough to steam crabs. But the mighty Crabbers of Hampton High tried not to let it bother them. During the lunch periods they relaxed under the sunny trees and ate their lunch. Fans were brought and "turned on" to help make the days more bearable.

Students of Hampton High School attain their highest heights of achievement in opening and closing their lockers.

STUDENTS AT THEIR BEST

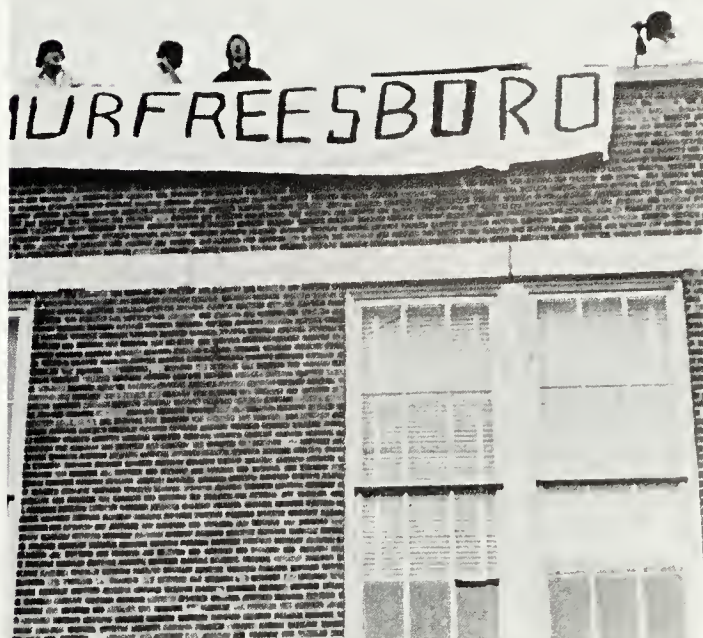

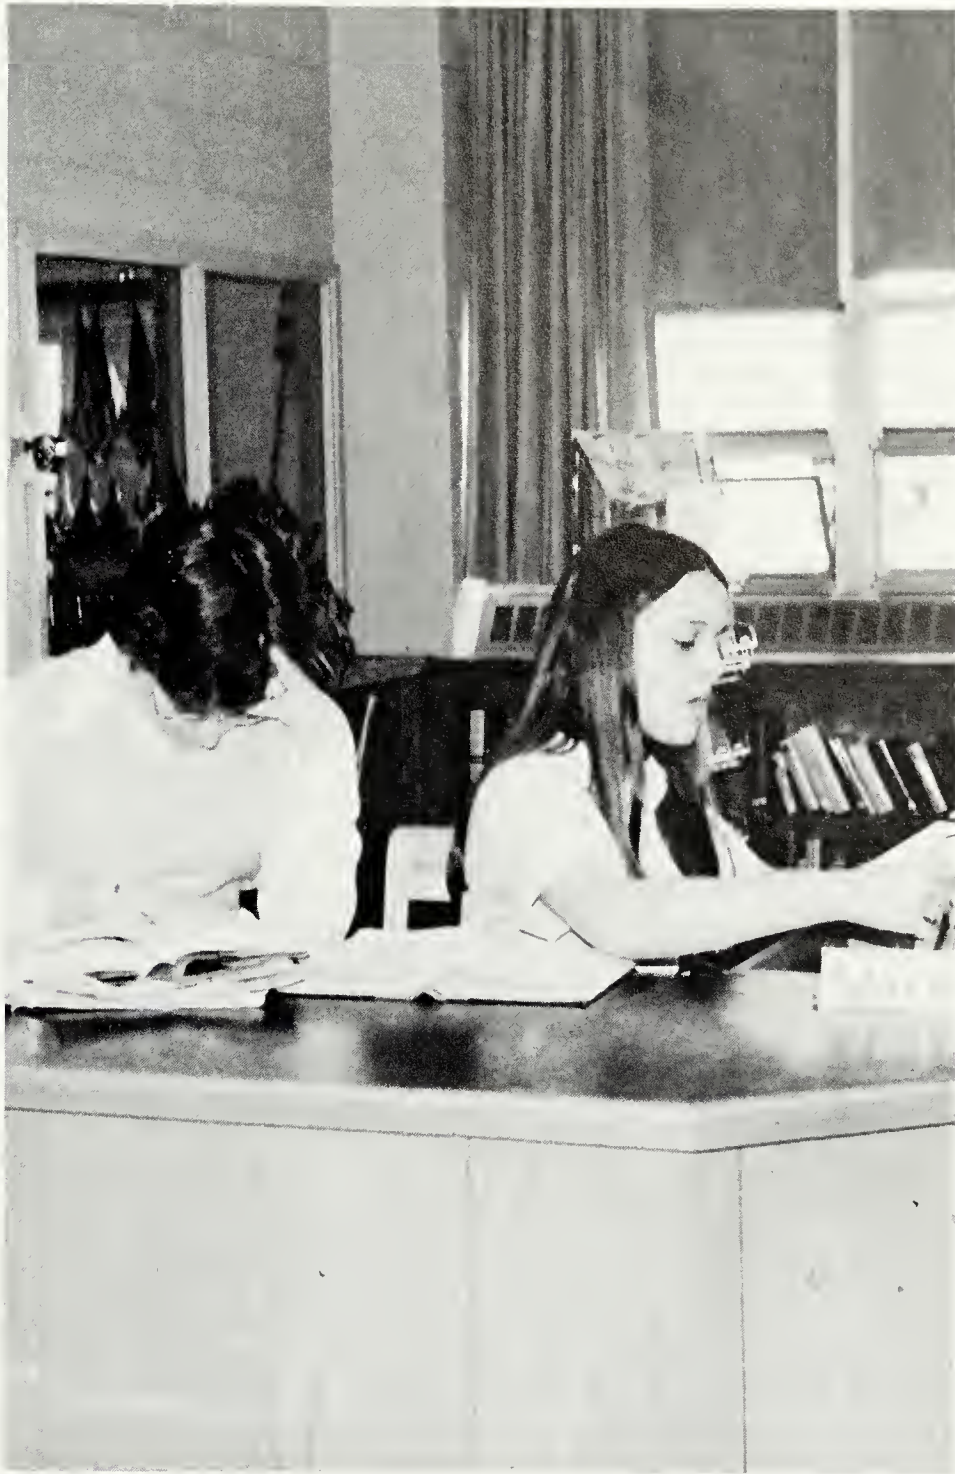

THIS, TOO, SHALL PASS AWAY

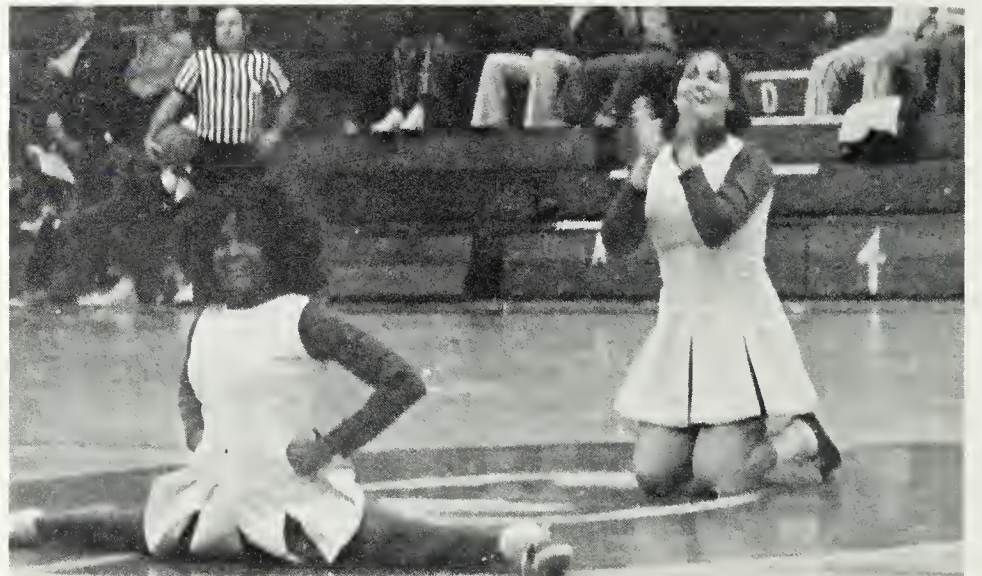

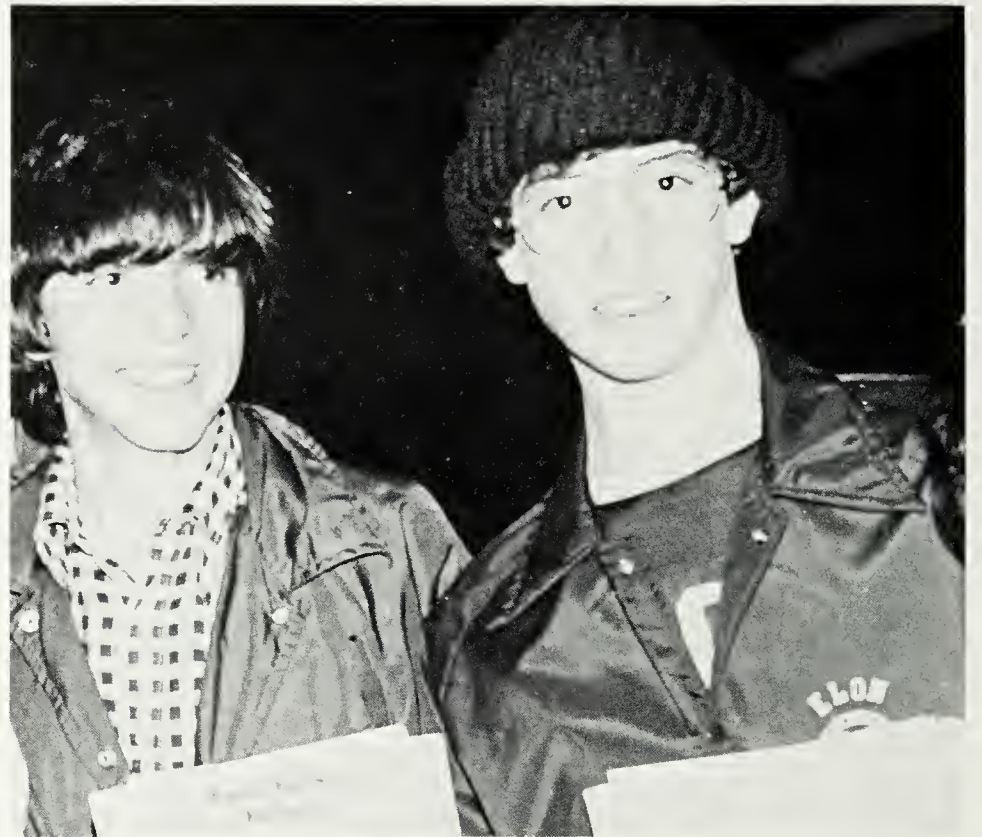

When ceaseless toil has hushed your
song of gladness,
And you have grown almost too tired
to pray.
Let this truth banish from your heart
its sadness,
And ease the burdens of each trying
day;
 "This, too, shall pass away."
When fortune smiles, and, full of mirth
and pleasure,
The days are flitting by without a
care,
Lest you should rest with only earthly
treasure,
Let these few words their fullest
import bear;
 "This, too, shall pass away."
When earnest labor brings you fame
and glory,
And all earth's noblest ones upon you
smile,
Remember that life's longest, grandest
story
Fills but a moment in earth's little
while;
 "This, too, shall pass away."
 Lanta Wilson Smith

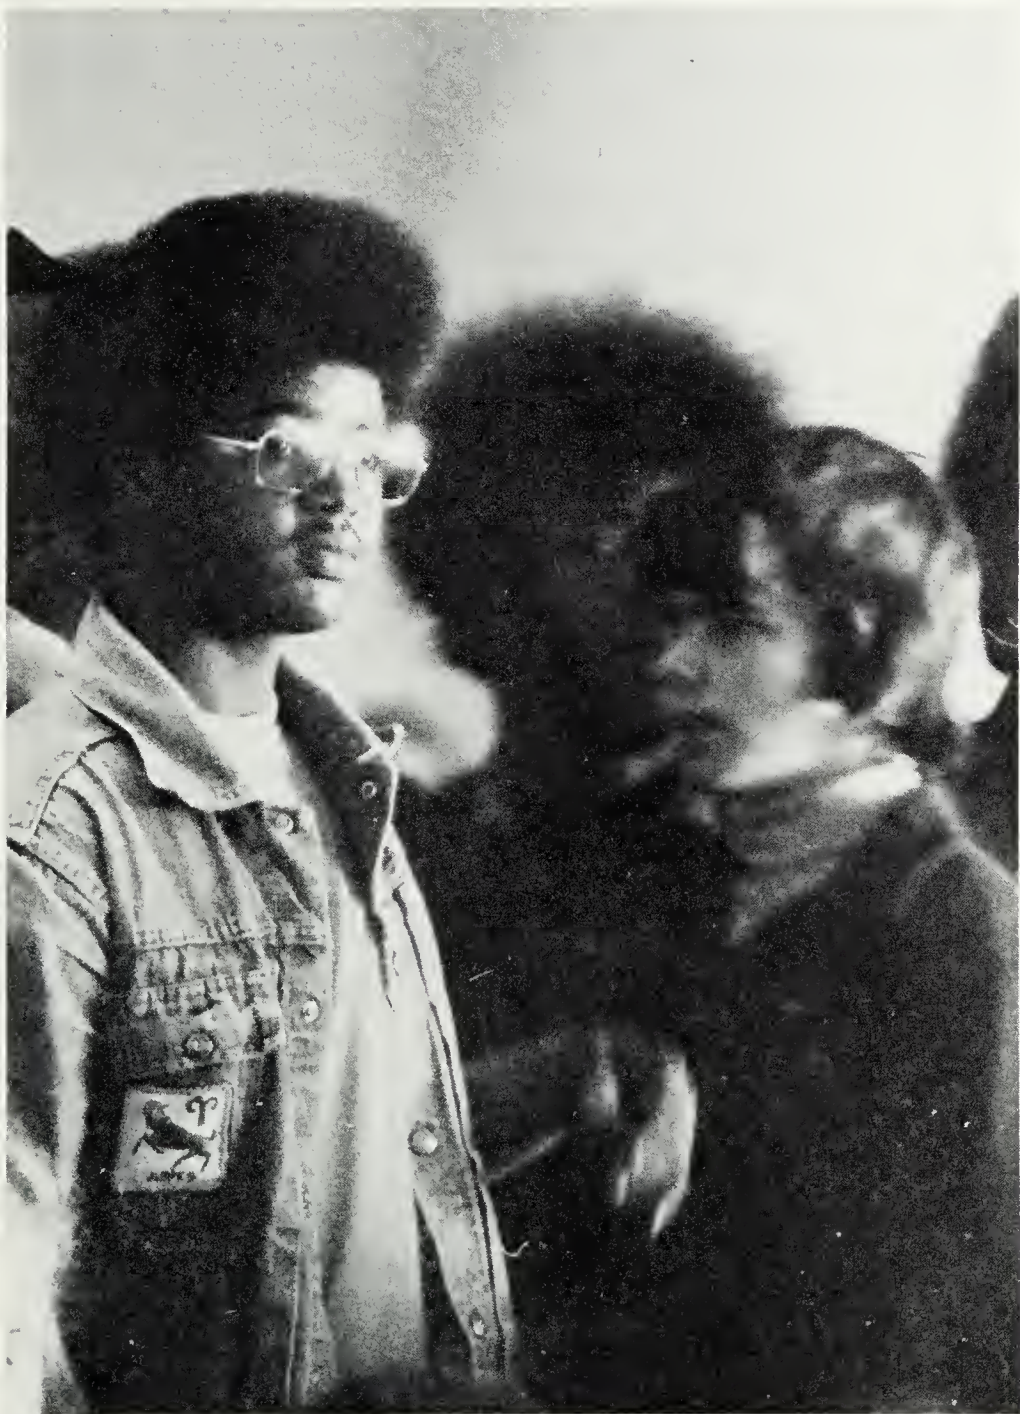

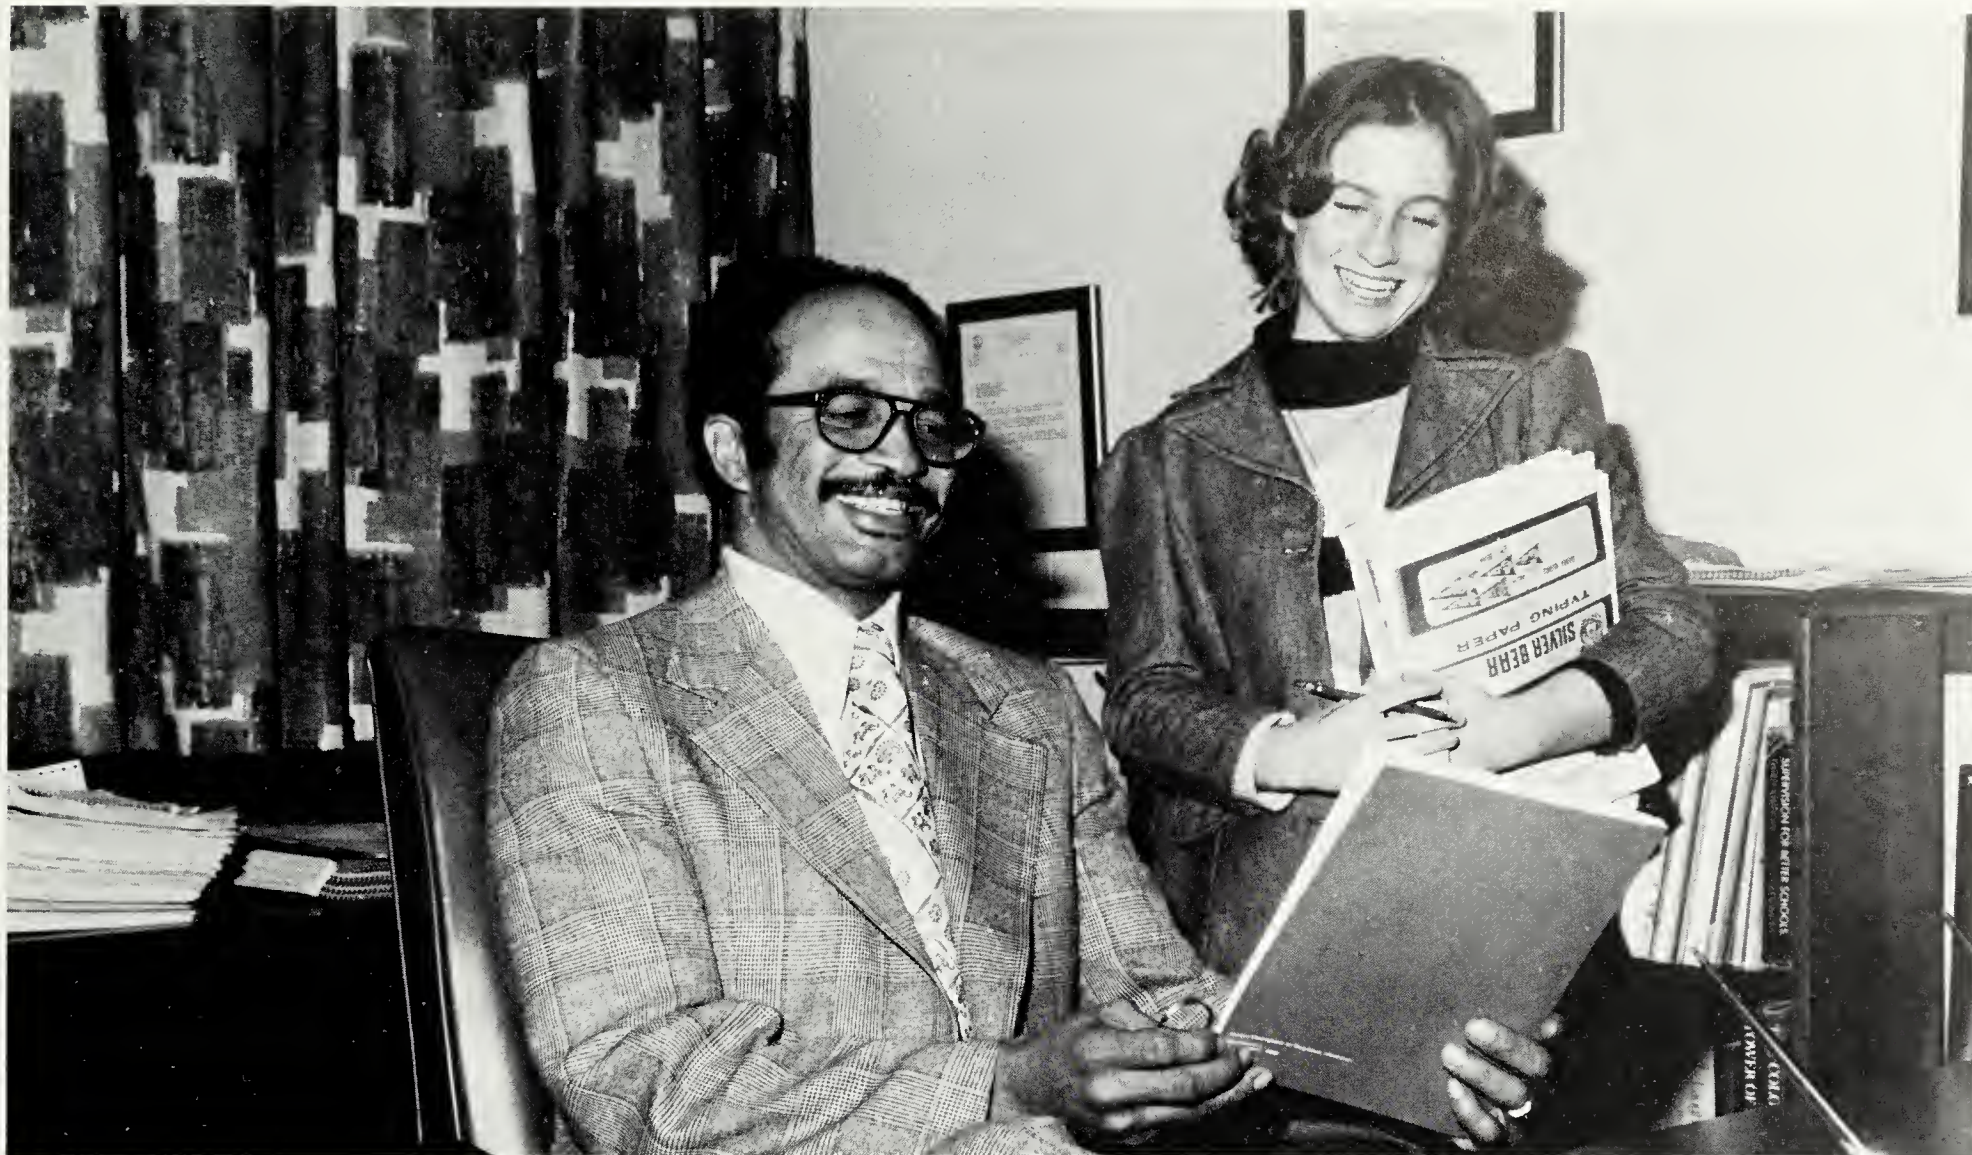

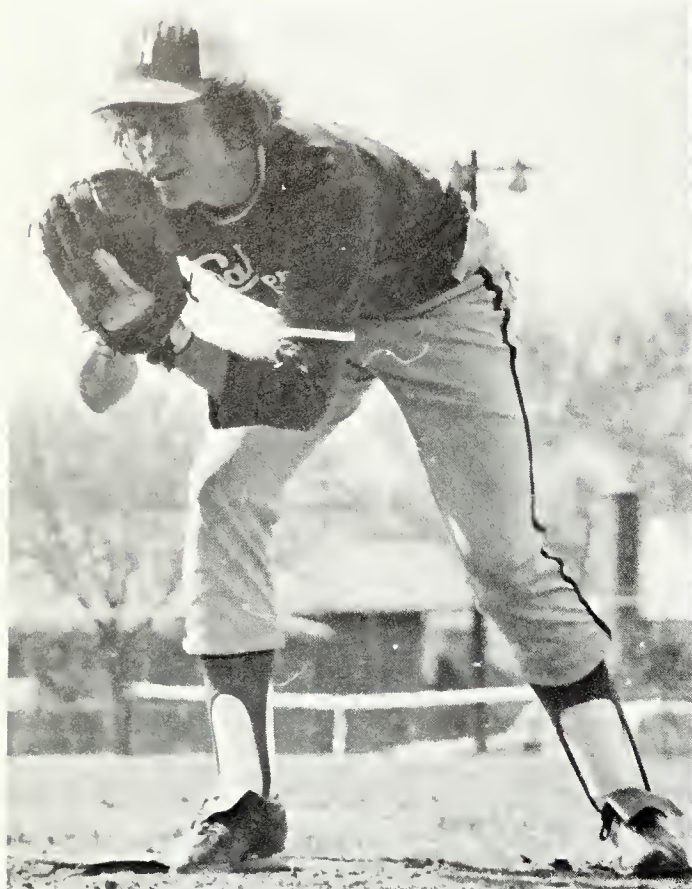

IT'S FINE TODAY

It's today that I am livin',
Not a month ago.
Havin'; losin'; takin'; givin';
As time wills it so.
Yesterday a cloud of sorrow
Fell across the way;
It may rain again tomorrow,
It may rain — but say,
Ain't it fine today?
Douglas Malloch

Mr. Fred Francis

Feeding hundreds of people is no easy chore, but it can be done efficiently as shown this year by H.H.S.'s cafeteria staff. They were kept on their toes clearing trays off tables and planning the next days delicious meal.

The custodial staff of H.H.S. had an unusually difficult year pumping out flooded hallways and cleaning up broken glass. The staff did everything from battling leaky ceilings to opening lockers for frantic students.

Practice, as it has in the past, began on a hot August 10. Players were subjected to the piercing rays of the sun. Again salt tablets became a part of their diet. Practice, after practice — from dusk to dawn — Crabbers found out though that all that practice pays off. Crabbers went on to achieve an 8-2 record, tying with Lafayette for second in district.

DY-NO-MITE was the word to describe the 1974 J.V. season. Unity was the key to the J.V.'s success. The team was led by a balanced offense and a tenacious defense. After losing the opening game to Menchville, the baby Crabbers exploded with five consecutive wins, to place second in District competition. The team showed a high sense of maturity, determination, dedication, and the desire to excell.

Left to Right, Fourth row: Coach Chip Abbott, Coach Wayne Nast. Third row: Mark Langley, Ken Foley, Mike Mansfield, Eric Pearson, William Wyatt. Second row: Angelo Davenport, Mark Davenport, Brian Gerber,

Paul Dale. First row: Bruce Young, Mark Enderson (Co-Capt.) Mike Rogers (Co-Capt.), Wallace Payne.

This year, under the coaching of *Mr. Chip Abbott* and *Major Wayne Nast*, the Hampton High Crabbers fought hard for three wins in their six meet schedule. Plagued by injuries and loss of team members mid-way through the season, the Crabbers came back to defeat Bethel in an exciting, breathtaking race. Veteran runners *Eric Pearson*, *Mike Rogers*, *Reggin Knight*, *Mark Enderson*, and *Wallace (Lee Evans) Payne*, helped supply the main force that the "Big Red Machine" needed.

KING CRAB REIGNS OVER DISTRICT

(front) John Buchanan, Marvin Brown, Donnell Jones, Raymond Simms, Tommy Price, Vic Hellman, (back) Coach Don Ragland, Dwight

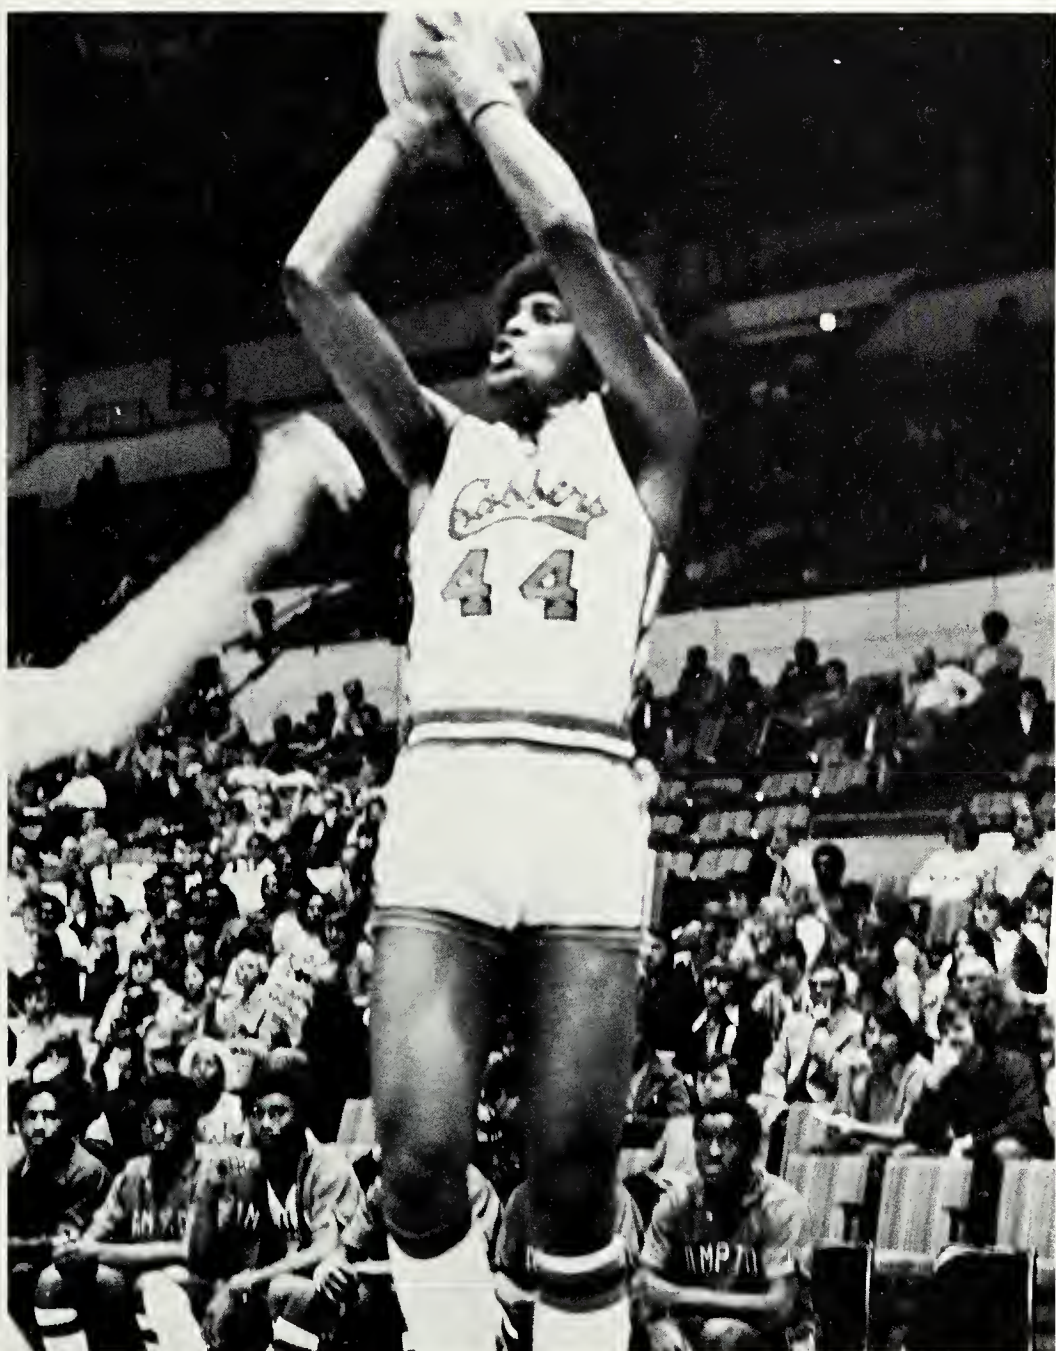

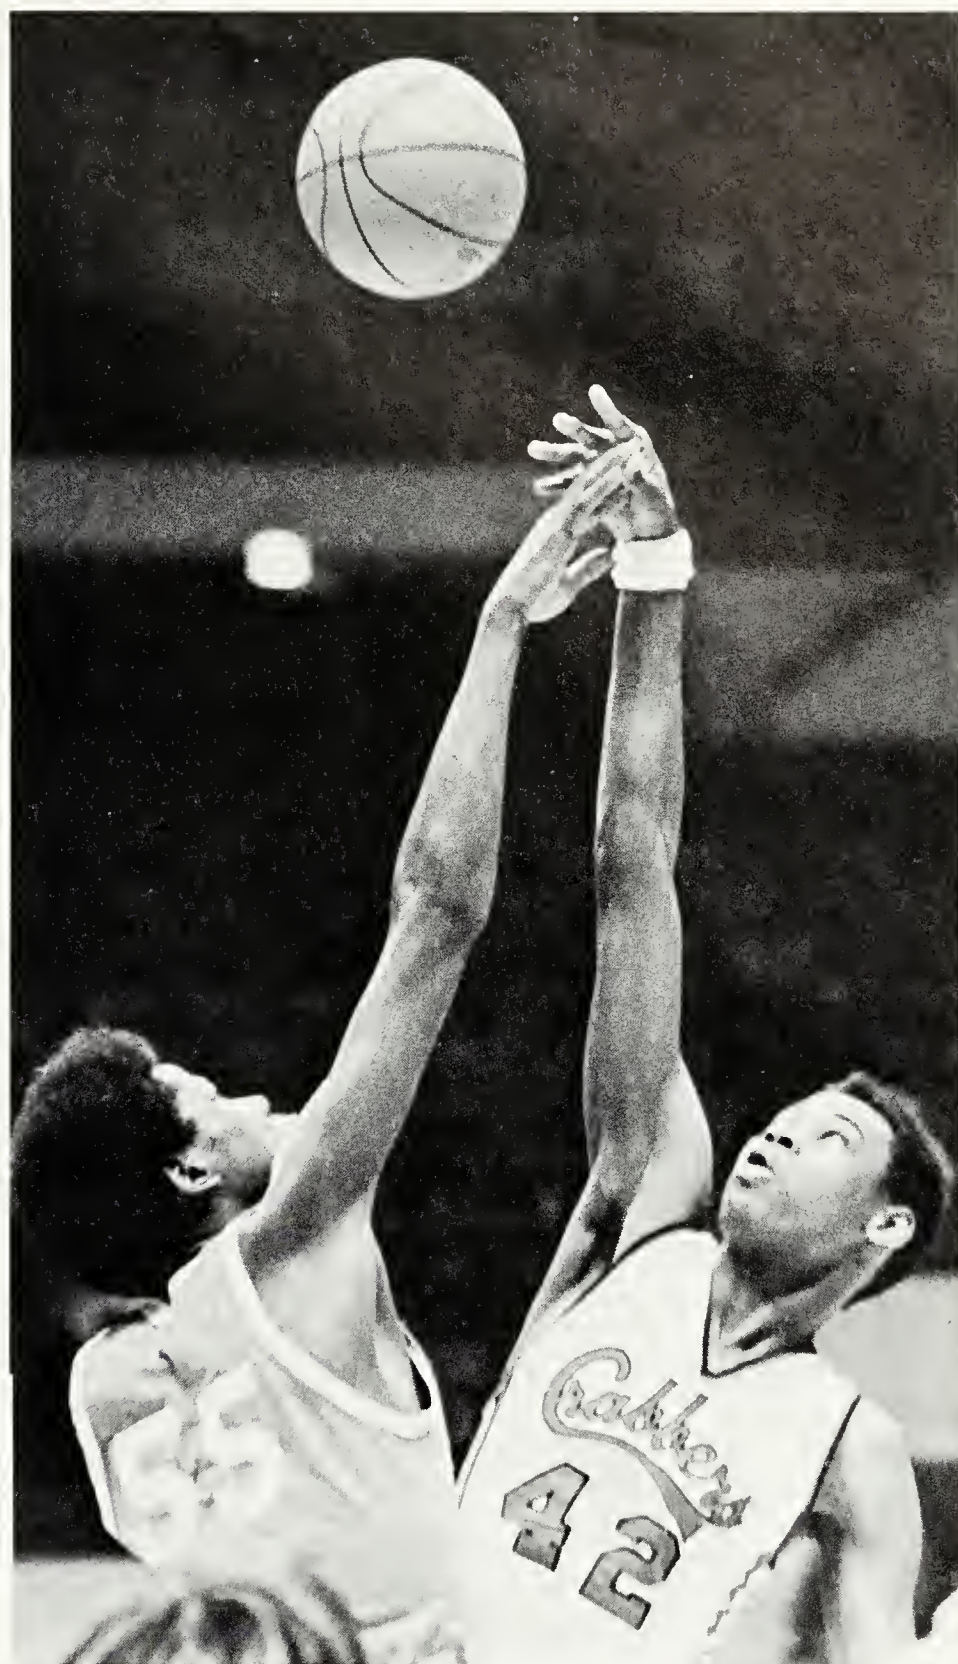

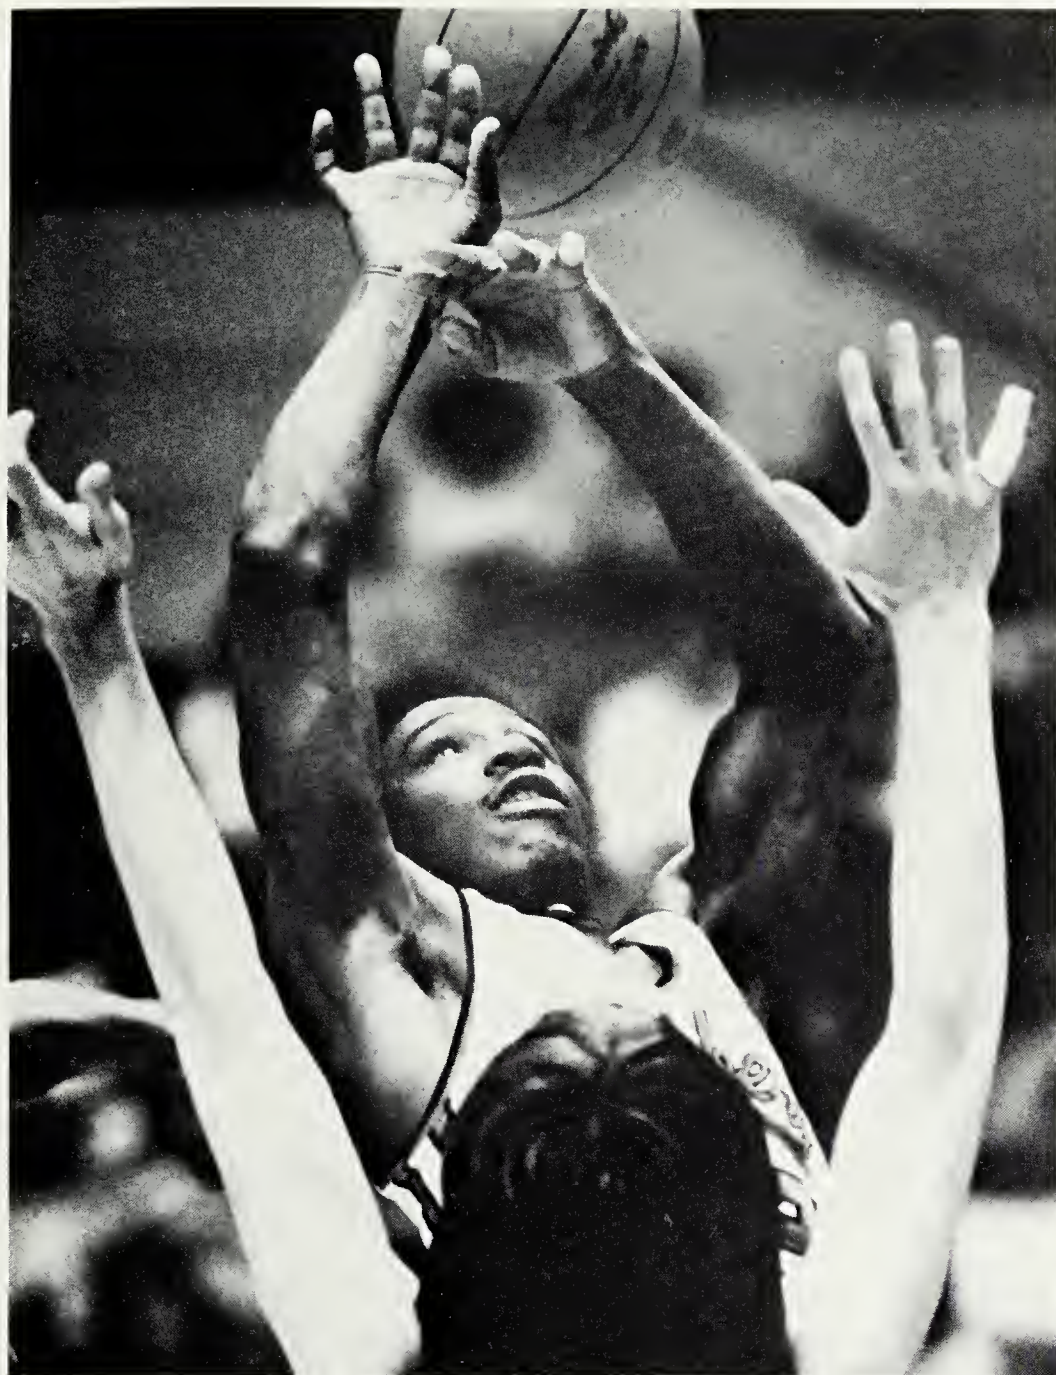

Stephenson, Larry Tolliver, Joe Breeden, Don Mackellar, J.J. Phillips, Tyrone Parker, Bobby Atkinson, Assistant Coach Frank Johnson.

Two main objectives of the 1974-75 Crabber basketball team were to "run like the wind and play defense like demons", and that is exactly what they did throughout the entire season. This style of play led them to both the Peninsula District Championship and the Peninsula District Tournament Championship. The Crabbers then progressed to the Eastern Regional Finals where they were finally defeated, thwarting their determined drive for the state title.

The Crabbers opened the season with a big win over Tabb and rolled on to six more victories before meeting defeat at the hands of Ferguson in a thrilling one point game. In the next game they bounced back with a great come-from-behind win over powerful Kecoughtan. From that point the Red Machine rolled unmercifully over their next seven opponents running the record to 15-1. Then came a defeat at Bethel. The following night brought a fine win over Ferguson, but the next two games resulted in disappointing losses to Kecoughtan and Menchville forcing a play-off for the district championship with Kecoughtan. After twenty games it boiled down to one game for "all the marbles". The Crabbers rose to the occasion with an inspired twenty-two point win. Hampton dominated the district tournament defeating Warwick and York on the way to the finals where they clinched the title with a thrilling win over Ferguson. In the Eastern Regional Tournament the Crabbers defeated Booker T. Washington in the semi-finals, but fell to I.C. Norcom in the championship game. Thus the fine season came to an abrupt end. The final loss was disappointing, but the previous twenty-one victories made for a very satisfactory year.

Coach Don Ragland and assistant Coach Frank Johnson concentrate on the game.

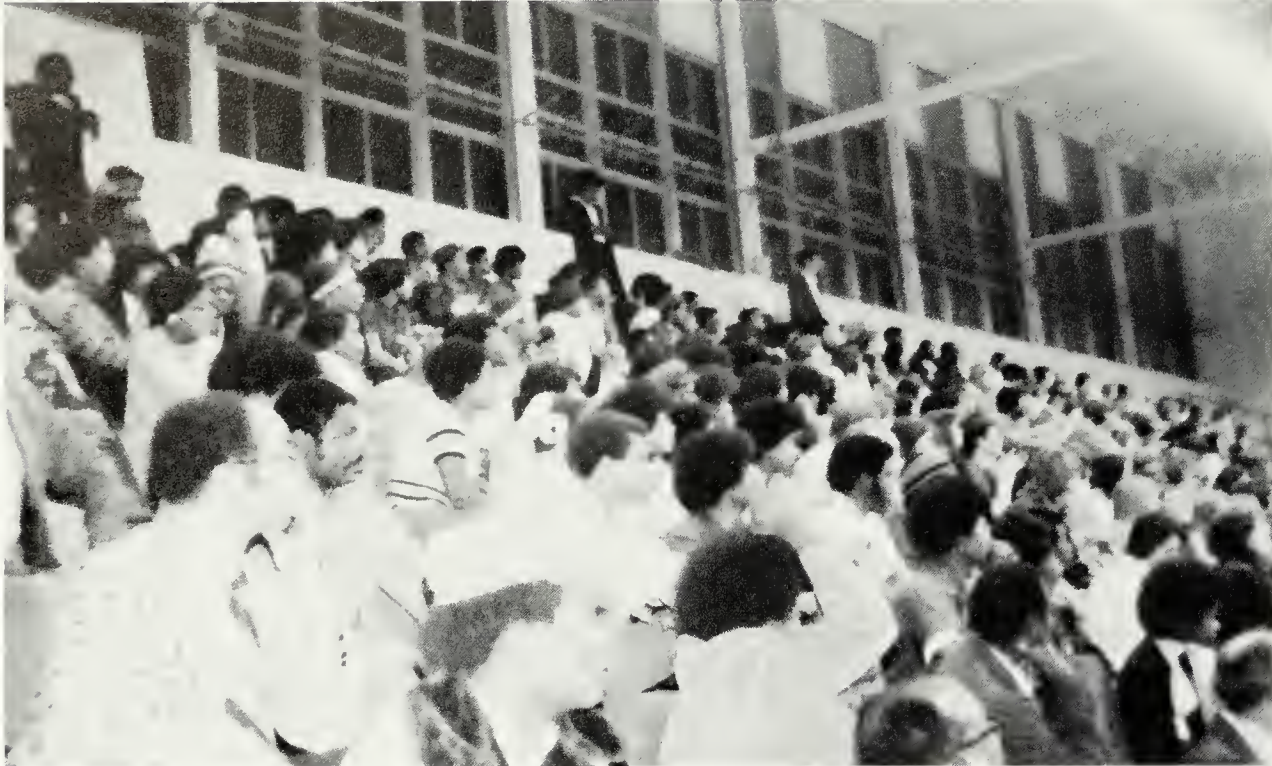

“GET ON UP! GET, GET, GET ON UP!”

Senior tri-captains Michael Atkinson, Raymond Simms and Nathan Watts provided great leadership and steady play. Michael was named to the Peninsula District All-Tournament Team along with teammates Woodrow Wilson and Art Jones. Michael was voted by his teammates as the Most Deserving Player. Floor general, Woodrow Wilson, did a tremendous job of directing the team. He was named the team's Best Defensive Player. Sophomore Art Jones, an All-Peninsula District selection was MVP and led the team in scoring and rebounding. The aggressive play of Donnell Jones sparked the team many times. These players saw most of the action but they were given great support by J.J. Phillips, Marvin Brown, Eddie Fitzgerald, Tommy Price and the other members of the squad.

“HAMPTON’S JUNIOR VARSITY BASKETBALL TEAM”

J.V. IS OUR BEST!

"The J.V. Basketball team had a record of eight wins and twelve losses." However, the players on the team hustled and tried as hard as they could every game. The team strengths were the outside shooting of Guard Larry Tollivers and rebounding plays of forward Linwood Westley. The weakness was the overall shooting ability of the team, controlling the tempo of the game and ball handling. Larry Tolliver was the high scorer averaging over 17 points per game. Linwood Westley was the leading Rebounder and John Smith was the best defensive player. The most satisfying wins were victories over Kecoughtan, and the win over Menchville. Coach Arnold Baker did much for his basketball team and hopes to continue working with them.

Led by co-captains *Jimmy Crocker* and *Chris Herstrom*, the Varsity Wrestling team split their season this year between five losses and five wins defeating our rivals Pembroke, Tabb, Ferguson, Lafayette and Warwick. Most valuable wrestler, *Steve Torrie*, was a strong contender in state competition placing fifth. *Chris Herstrom* received an award for most pins this season. The Crabbers had a relatively good season under the watchful eyes of Head Coach *Barry Brown* and assistant Coach *David Glosson*.

The Junior Varsity Wrestling team practiced long and hard this season. A lot of this teams strength came from the experience of returning wrestlers and the enthusiasm of beginners. Although their season was not as good as usual, many wrestlers were awarded with the Hampton *H* for their efforts. The coaches look forward to many of the wrestlers returning next year for a better season.

Angelo Davenport shows his style in the high hurdles.

Riding in the wake of tradition, the Hampton Track team began building their track machine on the rough material of sophomores *Chuck Rochell*, *Brian Gerber*, and *George Parker*. The team slowly began in the long time consuming process of rebuilding. Disappointments came fast, however, under the supervision of Coaches *Chip Abbott*, *Wayne Nast*, and *Peter Walio*, the team improved rapidly and defeated Warwick in the last meet of the season.

Hampton girls made the headlines this year in sports, exemplifying the varied talents possessed by the promising young athletes. The tennis team posted a record of 4 and 3 and sent *Debbie Duncan* and *Mary Rae Romatowski*, ranked numbers 1 and 2 respectively, to the District tournament. Cindy Persson was ranked number 3 followed by seniors Robin Hall, Andrea Deveikis, Stephanie Guess, and Kay Hunnicutt. The team was coached by *Mrs. Mitchell*.

Girls basketball was once again coached by *Mrs. Joyce Hobson*. The team was captained by *Becky King* and *Christa Hill*. Although more interest in

the games was created, the games were sparsely attended.

Camella Franklin proved her versatility and talent competing in the 80 yd. hurdles, 100 yd. dash and the 440 yd. relay. She placed third in the District track meet and fourth in the Regional meet in the 80 yd. hurdles. Teammate *Gayle Sydnor* competed in the 880 yd. run, placing third in the District, third in the Regional track meet and sixth in the State meet. VARSITY CHEERLEADERS PROVIDE HAMPTON STUDENTS WITH THE MIGHTY CRABBER SPIRIT.

The Varsity Cheerleaders hold the difficult and important duty of generating school spirit in the student body. It is essential that each Cheerleader give her full support to the school in order to get the student body to do the same. The colorful posters and the new stunts and cheers added greater dimension to the games and pep rallies. This year our cheerleaders were very successful and thank the many spirited fans who helped them support the great Crabber teams. Among the teams the Varsity Cheerleaders supported were the Varsity Football team, the Varsity Basketball team, the Wrestling team, the Track team, and the Baseball team. Although the Varsity Cheerleaders need no proof as to how well they perform, they received many awards at the National Cheerleading Clinic held at Old Dominion University.

Tomorrow is Here.

Here in Newport News.
Here in the hands of the people who
work here. Because our people are building
tomorrow with something that started a long
time ago.

● A legacy of expertise.
The teamwork, skills and engineering
ability that have put together some of
the world's most complex technical achieve-
ments.

Like the Navy's nuclear powered sub-
marines, aircraft carriers and frigates. The
world's most sophisticated commercial ships
— liquefied natural gas carriers. And services
and components for commercial nuclear
power plants.

And when the call comes to go to work
on other ideas for the future, we're ready. Be-
cause our people are ready. And always
have been.
